1. The Committee is to seek to discover areas where new work is needed and to lead in the sponsorship or establishment of new work to meet present need or the securing of property by a local church and/or the Association in the anticipation of future need.
2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work

may be started and maintained on the basis of a mission to meet particular needs (This provides for institutional missions such as jails, prisons, rest homes, etc.).

3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. The guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.
6. A mission organized or assisted by the Missions Committee shall accept the recognized principles and practices of a church cooperating with the Randolph Association, the Baptist State Convention and the Southern Baptist Convention.
7. The Missions Committee shall plan and develop special associational projects and make the churches aware of these mission opportunities to participate.

d. *Order of Business:* The Order of Business Committee shall be composed of six members, two serving three (3) years, two serving two (2) years, and two serving one year. The committee will prepare well in advance a suggested order of business for the annual session. The committee will notify those who are to make reports or have a part on the program. The program for the annual session of the association shall be sent to all persons on the program and to all pastors at least thirty (30) days before the annual meeting. The Moderator, Clerk, and Music Director shall be Ex-officio members of the committee.

This committee will be also responsible for promoting the annual session through the various news media.

e. *Evangelism:* The Evangelism committee shall be composed of six members, two serving three (3) years, two serving two (2) years, and two serving one year. The committee shall promote the work of evangelism in the churches and the association in cooperation with the State Department of Evangelism. The committee shall plan and promote annual programs or clinics for persons to be trained and motivated to witness for Christ. The committee shall meet at least once each quarter and report its activities to the Executive Committee. The committee will give a written report to the annual session.

f. *Ordinations:* The Ordination Committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. Also the Director of Missions, the pastor and deacons of the home and requesting churches, shall, when requested, assist with the examination and ordination of a candidate of the Gospel ministry.

Guidelines:

(1) The committee requires that it receive a copy of that portion of minutes, signed by the Clerk, of the church conference at which the home church voted to request examination of the candidate.
(2) The committee requires that the candidate be called by a church for ministry before requesting examination.
(3) The chairman shall notify the candidate of the time, place and procedure.
(4) The committee suggests that the candidate be questioned at least two weeks prior to his ordination.
(5) The committee shall question the candidate about his conversion, his call, his priorities, his doctrine, and his personal life. The committee may also counsel the candidate.
(6) The candidate should feel free to seek advice from the committee regarding any area of the ministry.
(7) In every instance, the committee shall be guided by the Scripture, especially I Timothy 3:1-7 and Titus 1:5-9. The Ordination Committee shall give written notice to the home church as to whether or not it recommends that the church proceed with the ordination.

The chairman shall report the committee's activities to the Executive Committee and provide a written report for the annual session.

g. *Place, Time, and Preacher:* This committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. The committee will receive invitations from the churches which desire the association to meet with them the next year. It will recommend to the association in its annual session the time and place of the annual session the following year. This committee will also recommend a preacher and an alternate for the annual sermon.
h. *Constitution:* The Constitution Committee shall be composed of three members, one serving three (3) years, one serving two (2) years, and one serving one year. ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE IX — NEW CHURCHES

Pat Smith

DIRECTOR OF MISSIONS REPORT

The wonderful thing about the association is that it is a fellowship of churches working together in missions in their local setting. Each church, regardless of size or location has a significant role in the total response. God unites each of us as a local body of believers to accomplish His great task of evangelism and missions. We believe the Lord is doing "great things" for us in Randolph.

This has been a good, full, and busy year in the life of Randolph Baptists. This year's reports show a significant growth in mission giving, church development through B.T.N., outreach awareness through ACTS to the community and a strong feeling of togetherness as Baptists in Randolph County. This has been a year when we have put strong emphasis on evangelism through Good News America Revivals and Mission Involvement through the Pastor's Exchange Day in West Virginia. These events have opened our eyes to the spiritual needs around us and to the needs of others in different areas of the world.

As to my personal stewardship and accounting to the association, I have had the privilege of preaching and teaching in many of our churches. During this associational year, I have supplied for sixteen of our pastors, conducted two revivals, spoke at two homecomings and brought several missionary messages at special emphasis. I have had a part in training conferences for Sunday School, Key Leadership, Deacons, Brotherhood, W.M.U., Pastors, VBS and Mission rallies. I have held studies in churches relating to associational, Foreign, Home and State Missions. Some of the other services for churches were publishing bulletins, newsletter, and preparing revival materials. Along with these printings was our associational newsletter, 800 monthly to leadership and interested persons in the association.

This year has also afforded me the opportunity to attend leadership conferences, state convention, director of missions conferences, evangelistic conferences, regional meetings and a number of other meetings in reference to my work. In the association, conferences have been many, such as Executive Committee meetings, Missions Committee, Evangelism Committee, Budget and Finance Committee, Nominating Committee, Committee on Committees, Pastor Conference, Pulpit Committees, group and individual conferences. A great deal of time this year was given to individual counseling and pastor referral. It has been a busy and rewarding year. Over all, I have driven over 20,000 miles in my work and ministry and have visited and shared in 31 of our churches.

SOME OF THE HIGHLIGHTS OF OUR ASSOCIATION:

1. 28 of our churches participated in the Good News America revivals in April, through a county-wide promotion and witness involvement. Truly, there were some wonderful results from these days.
2. 18 of our churches are using weekly or occasionally, BTN for their church and there are 140 permanent video tapes in the associational library for use in the churches. Weekly we are recording new tapes.
3. ACTS, the American Christian Television System, was officially launched on January 1, 1986 on channel 25 of Cablevision of Asheboro. This is our Southern Baptist television system, telecasting 24 hours daily, programs for all the family. We have a potential audience of 10,000, and the local board hopes to use this channel for local programs in the near future.

4. The Pastor's Exchange Day in West Virginia was a great highlight for the year. Ten pastors and churches participated in this day. Our pastors exchanged pulpits for one Sunday, September 21. It gave our pastors the opportunity to see the needs and churches in West Virginia. It gave us a deeper concern and commitment to pray and help more.

As we prepare for another year, our emphasis will be a World Missions Conference in September, 1987. Our prayer and hope is that 30 or more of our churches will participate in this week long involvement. This will give our churches an opportunity to hear fresh reports from around the world from our missionaries.

We rejoice in what has been accomplished this year. However, we should strive to grow toward a greater faithfulness, effectiveness, and efficiency in fulfilling our ministry of developing believers, reaching the lost for Christ, and strengthening missions in our churches. Your church, with every church in the association has a vital, strategic role in meeting this challenge. May God give us the vision and dream for the year ahead.

My deepest thanks and appreciation go to the wonderful people in our churches and to the splendid pastors who make up our association. I am indebted to prayers, support, cooperation and encouragement you have given me through this year. It has been my joy and privilege to serve Randolph Baptists for nine years. My family and I have come to love and appreciate you so very much. We begin our tenth year with great anticipation and commitment to the Lord for his will to be done among us.

May God bless each of you as you hold up the hands of the pastors, church leaders and others in prayer and support in these days of frustration, complacency and fear. Let us encourage one another and support one another in the year to come. May God bless our association.

WORLD MISSIONS CONFERENCE

I. WHAT:
A world missions conference in the churches of Randolph Baptist Association.
1. It is a mission education project in which the churches hear messages from missionaries around the world.
2. It is an adventure in missionary education designed to identify a church with the world mission program of Southern Baptists.

II. WHEN:
September 13-20, 1987
1. Sunday Morning through following Sunday night.

III. WHERE:
Churches in Randolph Baptist Association.
1. Our goal: 30 churches enlisted to participate.
2. We all can't go to the world, but we can bring some of the world to us.
3. So the world is coming to churches in September, 1987.

IV. HOW:
Enlistment and Participation of our churches.
1. Fifteen churches participating from Sunday morning through Wednesday night.
2. Fifteen churches participating from Thursday night through Sunday night.
3. Each church will have five services, hearing two foreign missionaries, two home missionaries and one state or associational missionary.
4. Missionaries will be lodged in a motel or at Mundo Vista Camp, with breakfast and lunch.
5. Each church will be responsible for the evening meal and the Sunday noon meal.
6. **Estimated Cost** for each church is $250.00 for the week, which includes travel, lodging, and meals, plus expenses for promotional materials, and events.
7. An Associational Steering Committee will be elected to serve in the total planning for the week through the Annual session in October, 1986.

8. Enlistment and Commitment letters will be sent to the pastors and churches this fall.

V. WHY:

Have a World Missions Conference?

1. Because the Lord has commissioned us to go and tell.
2. Because of the encouragement and support needed for our missionary enterprise.
3. Because of the unity and cooperation of the churches in our association.
4. Because of Bold Mission Thrust — Our effort as Christians to give every person in the world the opportunity to hear the Gospel and to respond to the Gospel by the end of the century.

VI. CHALLENGE:

In Acts 14:26-28, Paul and Barnabas shared about their work with those people who sent them out, the church at Antioch. The missionaries that we are supporting through our Cooperative Program and our special offerings are coming to us to share about their work. Our churches should be different as a result of our participation in the World Missions Conference.

BROTHERHOOD REPORT

The associational year of 1985-86 was a good year. But we hope the 1986-87 year will be even better.

1. We were able to attend the North Carolina Baptist Men Convention at First Baptist Church, Charlotte, November 8-10, 1985. Speakers were Dr. Findley Edge, Author of the book Doctrinal Study on the Laity, Jerry Clower, renowned humorist, and Dr. Denton Lotz of the Baptist World Alliance.
2. We had a Brotherhood Workshop at Oakhurst Baptist on November 19, 1985 from 7:30 to 9:00 P.M. for Baptist Men, Pioneers and Crusaders.
3. We attended the N.C. Baptist Men's Board Meeting at Caraway Conference Center on February 21-22, 1986.
4. Pinewood Crusader cars, Cross Road Church. We hope we will have more participation in this event next year. All awards went to Cross Road Baptist.
5. Brotherhood Rally at First Baptist in Asheboro on April 28, 1986. We met at 6:30 P.M. with supper and Dr. William H. Crouch, Jr. Director of Development, Baptist Children's Homes was the speaker of the evening. There were 15 churches represented with 61 men and boys.
6. The fourth annual track meet was held at Asheboro Jr. High on May 3, 1986. We had five churches participating, There were 50 R.A. boys and 67 ribbons awarded. The boy with the most points won a free week at Camp Caraway. Tory Rule was unable to accept the award, so Jason Burke from Cross Road Church went as the next highest number of individual points.

YOUTH REPORT — LOOKING AHEAD

On September 8th at First Church, Asheboro, Key Youth Leaders gathered from across our association. This meeting was well attended and we came away with a renewed vision and sense of purpose for the youth across our county.

Highlights of the discussion centered around activities that have "worked" in various churches and forthcoming ideas that we could do on an associational basis to reach youth for Christ. These would include a Ski-Bible conference, Saturday night youth gatherings, associational wide youth revival next spring and youth camp next summer.

The importance of an active youth council was discussed, not only in every church but in our association as well, for the purpose of prayer, planning, and participation. A mailing list of youth leaders has been put together and mailed to churches throughout our association.

We also want to extend a warm welcome to Mark Hall, Minister of Education and Youth at First Church, Asheboro who will be an important addition to our planning team.

BUILDING AND GROUNDS REPORT

The following is a list of needs met through our committee in 1986. (1) septic tank replaced by connecting on to the city system. (2) work on and reseeding the lawn due to having it torn up in replacing the septic tank. NEEDS: No. 1 priority is the paving of the parking lot to make it more appealing and useful. No. 2 would be to landscape banks and around the building. These two things would add beauty to our associational office and pride in its outside appearance.

SUNDAY SCHOOL REPORT

The Convention theme for Sunday School work is now the 10/90 campaign. This simply means that Southern Baptists plan to have ten million people enrolled in Sunday School by the year 1990. It is a worthy goal but will take much work on the part of every Sunday School member.

Our Randolph Association Sunday School program is set to help meet the challenge of the 1980's and 90's. Various workshops and training sessions offered workers in every church an opportunity to expand their efforts for the Lord. In January two members of the Assist Team participated in a workshop at First Baptist Church, Asheboro dealing with the "How to Guide Books." A full team from the association taught this series of books at a two-night school on September 15-16 at the Balfour Church.

Members of the Assist Team (which is also the association Sunday School Leadership) attended special meetings at Ridgecrest for the State Key Leadership Conference, May 12-14. On August 26 the Assist Team traveled to Montgomery Association to conduct a Literature Workshop for the churches of that area.

As these events reveal, the 1985-86 Sunday School year has been filled with opportunities for study and growth.

CAMPUS MINISTRIES

North Carolina Baptists have some form of ministry on forty-seven college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist Colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and Associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and Associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSUs joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for International students, campus evangelism training and Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for High School Seniors, a leadership conference and a fall Baptist Student

Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSUs and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith in many ways because you care enough to provide Baptist Campus ministry! On behalf of these who, in God's power, are our future, thank you!

CHRISTIAN EDUCATION REPORT

CAMPBELL	CHOWAN	GARDNER-WEBB	MARS HILL
1887	1848	1905	1856

MEREDITH	WAKE FOREST	WINGATE
1891	1834	1895

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

CAMPBELL — During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

CHOWAN — Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

GARDNER-WEBB — On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

MARS HILL — A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

MEREDITH — "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

WAKE FOREST — Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1934 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

WINGATE — Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

BAPTIST RETIREMENT HOMES REPORT

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the *Biblical Recorder,* local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of Senior Adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

— Sound financial management again eliminated the need to increase residential fees.
— Over $900,000 of benevolent care was provided to residents.
— Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided $785,000.
— Over 40 new residents were admitted to the Homes and Nursing Care.
— Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
— Bill Stillerman became the new President of the Homes.
— Jack Hoyle was appointed Vice-President in Charge of Administration.
— Carolyn Bunting was appointed Assistant to the President for Admissions.

— Jim Saul was appointed Assistant to the President for Personnel.
— Don Peiffer was appointed Assistant to the President for Business Affairs.
— A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
— Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November, 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

BAPTIST HOSPITAL REPORT

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. 8 patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation, but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent). These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients,

families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, and an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

CHILDREN'S HOMES REPORT

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry.

The mission is to care for dependent, neglected, homeless and troubled children, unwed mothers and their children, and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

The new Homes and Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty-percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was 1.6 million dollars. We encourage you to help promote the new offering in your church during May, 1987.

UPDATE/THOMASVILLE AREA:

During the past year, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church. In addition, the children/youth on the Mills Home campus participated in January Bible Study, Vacation Bible School, Chorus, Sunday School, Worship, R.A.s, G.A.s, Acteens, Drama and the Christmas Cantatas. Many of the children/youth in care availed themselves to the opportunity of attending our denominational camps.

The ARTS & CRAFT FESTIVAL honoring the youth of our state was held in May. Youth under 18 years of age were invited to participate in a juried art show that was judged by well-known artist, Bob Timberlake. Plans are for a repeat of this festival in April or May, 1987.

Homecoming on the Mills Home campus witnessed more than 800 alumni returning to their "home."

The staff on the Mills Home campus annually plans an awards night during which time every child/youth in care is given a certificate of achievement. Every child/youth is recognized as having made progress in one or more areas of their life.

The staff, trustees, children in care and our president are grateful to the Baptists of North Carolina for their faithfulness as expressed through their financial support. Thirty-seven percent of our daily operating budget is derived from the Baptists of North Carolina. We believe our ministry is a fulfillment of the mission mandate of the Great Commission. The Baptist Children's Homes of North Carolina have existed for 101 years for one reason, to serve children and their families . . . in your stead . . . in Christ's name.

CHRISTIAN LITERATURE REPORT

Perhaps it would not be untrue to say that the greatest force in our Southern Baptist life in leading people to Christ and inspiring people to commit their lives to Him and serve Him is our Christian literature. Of course, in our Southern Baptist Convention the agency that produces the most Christian literature of all is the Sunday School Board. Every year it gives great support to Southern Baptists by making available many Bibles, lesson courses and materials, books, audiovisuals, music and recordings, and church supplies by fostering education and service programs which help the churches to establish, conduct, enlarge and improve their ministries of Bible teaching and Christian training.

During 1984-85, the Sunday School Board committed its programs and resources toward the successful achievement of Bold Mission Thrust. Major goals and accomplishments have already been reported in this area.

Records show that some 78,408,697 million pieces of Christian curriculum literature have been published and sent to churches and individuals in all 50 states and to 50 foreign countries. Also a BTN has been established as a department within the office of publishing and distribution. Thus, as an agency of the Southern Baptist Convention, it is the Sunday School Board's intention to serve faithfully in all areas of its work with Christian literature so that lives are touched and changed by the power of the gospel through Christian literature and built up in Him.

Perhaps the most important means of communication in the current expansion program called Bold Mission Thrust are the Baptist press and the 37 Baptist newspapers. These news medias are at the forefront of a thriving denominational press now serving Southern Baptists. Circulation among these state papers is 1,705,800. A long sought goal of 2 million circulation is within sight.

For us who live here in North Carolina, our own state Baptist paper, the *Biblical Recorder,* is an excellent means of communication as it brings reliable and accurate reports on missions, evangelism, benevolences and education and gives good support to the causes of the whole denomination. Thus, may we one and all stand together in our appreciation of the Biblical Recorder as our chief ally in the total work of our Lord.

Hansel C. Neathery

REPORT TO THE ASSOCIATIONS — 1986

The Biblical Recorder

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians — fewer persons in North Carolina are members of any church than are not — and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year.* Many of the other major state Baptist papers such as the *Recorder* have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

Through its three departments — Christian Citizenship Education, Aging, and Christian Family Life — the Council on Christian Life and Public Affairs has provided a variety of events and resources of North Carolina Baptists on social and ethical issues. As requested by the annual state convention, the Council has given equal time to promoting the Sanctity of Human Life Sunday in January, 1986, and World Hunger Day, October 12, 1986. The Christian Life Commission (SBC) provided material to aid in these observances along with material for Race Relations Sunday, Christian Citizenship Sunday, and Day of Prayer for Peace.

THE DEPARTMENT OF CHRISTIAN CITIZENSHIP keeps us informed on primary issues in the General Assembly, such as the state budget and liability insurance. Other laws passed were those making it easier for parents to collect child support payments, setting up ways to help victims and witnesses of crime, and encouraging the preservation of farmland. At the same time, the General Assembly let die bills which would have extended the dram shop liability in alcohol laws, provided greater protection against hazardous wastes, and set up standards of dealing with children endangered by their home environment. In

the coming year, for the first time, membership in the Legislative Network will be available to all Baptists at a normal fee.

Hunger continues to be of great concern to North Carolina Baptists. Recent rains in some areas of Africa have eased the crisis for millions. However, a handful of countries still live on the edge of disaster, and the rains provided only short term relief. Long-term, small-scale development is still desperately needed. Unfortunately, with the easing of the crisis conditions, Baptists cut back in gifts.

In September, the Council co-sponsored (along with North Carolina Baptist Men) a week-long emphasis on pornography. Regional meetings were held in Asheville, Charlotte, Jacksonville, and Winston-Salem, concluding with a day-long symposium in Raleigh.

THE DEPARTMENT OF AGING held eight regional senior adult rallies with more than three thousand attending. Six conferences/retreats held at Caraway Baptist Conference Center attracted capacity crowds. In May a seminar for pastors, "Pastoral Care of Older Members and Their Families," was conducted at Caraway. The Department assisted many churches in special seminars, dealing with such topics as "You and Your Aging Parent," and they offer training opportunities in development of senior adult ministries. Senior adults are responding to the challenge to fulfil God's purpose in their lives.

THE DEPARTMENT OF CHRISTIAN FAMILY LIFE worked with the Division of Evangelism to promote an "Evangelism Through the Home" conference in conjunction with the "Good News America — God Loves You" emphasis. Also, they offered a workshop and leadership training opportunities on "Parenting By Grace." Five Marriage Enrichment Retreats were held in churches. These are aimed at enabling couplas to develop skills to "make good marriages better." Three area-wide single adult seminars were held; two video-tapes ("The Perils and Possibilities of Mid-life" and "Discipline that Disciples") were made; a training session on battered women (domestic violence) and a workshop on "Divorce and Step-Parenting" were held. Two conferences for pastors' wives were underwritten by the department's budget.

The Department has worked hard to provide North Carolina Baptists with resources that would aid them in the crucial task of strengthening family life.

EVANGELISM REPORT

With less than one half of the people of Randolph County in church, it makes us more aware that the Great Commission is so very important to us. We need to start at home, by winning the lost to Jesus Christ here as well as around the world. This past year has been dedicated to the "Good News America, God Loves You" revivals. We had about half of our churches taking part in the March and April meetings. Many training courses were held in the Association. Much prayer and work went into the preparation for our churches. God blessed our churches with many professions of faith in Jesus Christ.

The State Evangelism Conference in Greensboro was great. They also had a session of training in connection with the conference. Many efforts were put forth by many people at home. We had good publicity, and good planning was done by many churches. Good preaching, and then God gave the increase. The

preparation time for some of us was about as fruitful as the meetings themselves. I hope the baptisms are up considerably this year.

I want to thank God for His blessings, too, for giving to us liberally the spirit of revival, and blessing our churches during this time of preparation. Thanks also, to those who worked so faithfully in the revival effort. To Rev. Rotan for being there and leading us so faithfully. To our churches who had revival. May God bless our churches and continue to give us a spirit of revival. There is still a great need for our churches to continue growing and the best way to grow is for persons to be born into the family of God regularly. I want to urge every church to pray much, train their laymen, and commit themselves to winning the lost to Christ. Let us resolve to do our very best for the Lord, the unsaved all around us, and the church of Jesus Christ in which we are privileged to work until He comes again.

MISSIONS REPORT

The Missions Committee met four times this year to discuss several items of mission interest. Among these items discussed, were new mission possibilities in the Level Cross Area, along with progress reports of the Cedar Grove Mission. Also, the Missions Committee presented to the Pastor's Conference the need for mission volunteers in Togo, West Africa. This request was made from our State Brotherhood Department. The challenge was given to every association to have one pastor involved in this mission partnership.

Our committee was instrumental in encouraging participation in the Pastor Exchange Day with the West Virginia Churches. There were nine pastors that participated in this mission awareness and encouragement project.

The Missions Committee has discussed several needs that we presented to our Randolph Fellowship. First, there is a need to secure an individual, (preferably a retired person) who will serve as a MAP (Mission Action Project) Director. This would involve spending one day a month to help communicate with those of our churches who support MAP.

Also, our committee is concerned about our financial commitment to our West Virginia churches. At present, we are several months behind in our support and would ask the churches of our association to help alleviate this obligation for the remainder of 1986. We project that 15 churches giving $100 or 30 churches giving $50 would dismiss this debt.

Finally, our committee will be contacting a resource person in each church to help recruit involvement in our MAP program. This person will be instrumental in helping to recruit those from their churches who are interested in missions. A meeting of all these people will be planned later to discuss various mission projects.

APPRECIATION COMMITTEE REPORT

We the Appreciation Committee of this 52nd Annual Session of Randolph Baptist Association express our heartfelt thanks to God who is the ultimate gift giver.

We say "Thank You" to *All* who have used their gifts to bring us these enlightening and challenging programs.

Thank you to the speakers, the musicians, the officers, committee members, our Director of Missions and the Moderator who has presided so effectively over our meetings.

We express our gratitude for the hospitality and thoughtfulness shown us by our host churches: Oakwood Park, Forest Park and First Baptist, Ramseur.

We want to thank God for the past 10 years of Bold Mission Thrust with its accomplishments. May we again be electrified with excitment in a unified effort to evangelize our world. With 66% unchurched and unreached in our association, let the effort begin with each of us as we go back to our respective places of service to use our God given gifts.

A BRIEF HISTORY OF FOREST PARK BAPTIST CHURCH

Forest Park was organized as part of the "30,000" Movement of the Southern Baptist Convention under the presidency of Dr. C. C. Warren. It was his goal to establish 30,000 preaching missions or churches during his tenure.

In the early weeks of 1959, the Mission Department of the State Baptist Convention sent a survey team to the area south of Randleman to determine if there was enough interest there to establish a new Baptist Church. With the aid of Balfour Baptist Church it was decided to form a Baptist Mission for the area. A Missions Committee composed of Carl King, A. G. Memory, and Wade Snider was elected. The pastor of Balfour and Mr. John C. Pearce were also helpful in the early formation of the "Mission Church."

The first service was conducted on May 3, 1959 with about 50 in attendance. Rev. Talmage Smith, field worker for Randolph Baptist Association delivered the first sermon.

Rev. Smith preached during the first months of the Balfour Baptist Mission until Rev. B. L. Gupton, a retired army chaplain was called as pastor. He resigned in 1961 and Rev. Doyle Moore was called and served until 1963.

The Mission department of the Baptist State Convention contributed $1,000 to help purchase the land on which the present church building is located. On April 2, 1961, the Balfour Baptist Mission moved into its new home.

In the early part of 1964, the Rev. John Kizer was called as mission pastor and on October 4, 1964, with approximately 114 members present, Forest Park was constituted as a church.

In 1965, the second building program was completed, and in 1974-75, the third phase of a building program was undertaken. At this time the sanctuary, fellowship hall with kitchen, two bathrooms, two additional classrooms, a nursery, two choir rooms and a pastor's study were constructed.

The church has full program of ministries with an active Sunday School, Church Training, WMU and Brotherhood. There is also a music program of Adult, Youth and Children's Choirs.

A BRIEF HISTORY OF RAMSEUR FIRST BAPTIST CHURCH

In the year 1851, a group of Christian lay people interested in the spiritual welfare of their families gathered to organize a church in the little mill village of Columbia. This group joined fellowship with Missionary Baptists and became

known as the Missionary Baptist Church of Christ of Columbia, North Carolina. In 1889, the name was changed to Ramseur Baptist Church because the town was renamed Ramseur after a confederate general.

The people met in a brush arbor while the church building was being constructed. This first church building was the first church built in the village.

The earliest records show that there were sixty-six members in the charter membership. By the year 1893, the congregation had outgrown the small building and plans were drawn up for a new site and a new structure.

The second building for the Baptist fellowship was built in 1895 on the site of the present church, near the center of town. During the years of 1897-1912, the wings of the church were added and Sunday School rooms built.

In 1851, the church drew up a petition for admittance into the Sandy Creek Baptist Association. The church remained a member of this historic association until 1895 when it joined the Piedmont Association. In 1934, the churches of Randolph County organized the Randolph Baptist Association and the Ramseur Church joined, along with twenty other churches.

Sunday School work began in 1885 or 1886, as the first church organized its own church school program. Prior to this event, a union Sunday School served the whole town. The Sunday School has grown through the years and has become perhaps the strongest teaching and evangelistic arm of the church.

The Woman's Missionary Union was organized in 1897. It was then called the Ladies Aid Society. The W.M.U. and its auxiliaries have held a prominent place in the mission and stewardship work of the church.

Special emphasis has been placed upon programs for children and young people. A strong Vacation Bible School has been held through most of the years since Sunday School was organized. A church nursery program has been developed to introduce children to church attendance and to give their parents more opportunities for worship and service. In the year 1972-73, the church held kindergarten classes for children four and five years old. A high point was reached in the work for youth when in 1973 the church began hiring a summer youth worker to coordinate youth activities and music.

The Choir and program of church music has played a leading role in our church during all these years.

In the early part of 1900, B. G. Leonard, Sr. was licensed to preach and in 1983, Charlie R. Stutts was ordained as a Baptist Minister. In 1965, former pastor, Jack Gentry and wife and daughter left the church to go as missionaries to Formosa.

During the lifetime of the Ramseur Baptist Church, many consecrated men and women have held their membership in this church. The current church membership is 373 with a Sunday School enrollment of 200. Our present congregation is still active in the programs of study, missions and worship that were begun by the early members of that small village fellowship that has evolved from the Missionary Baptist Church of Christ at Columbia into the First Baptist Church of Ramseur.

2. All new work does not necessarily need to be nor should be intended to become an organized or constituted church. New work

may be started and maintained on the basis of a mission to meet particular needs (This provides for institutional missions such as jails, prisons, rest homes, etc.).

3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. The guidance of missions by the Missions Committee shall continue until a co-operating church or churches can be led to accept the responsibility of sponsorship.

The committee shall also commend those persons and institutions that uphold Christian virtue, and shall support the churches in the teaching of Christian personal and social righteousness. The committee shall report to the Executive Committee and Annual Session when needed.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

ARTICLE IX — NEW CHURCHES

Baptist churches may be organized and established in localities within the territory of this Association when such new churches are seen to be needed. Those interested in organizing a new church may seek the Counsel of the Executive Committee and the Missions Committee of the Association.

ARTICLE X — RULES AND ORDER OF DECORUM

DIRECTOR OF MISSIONS REPORT

I am thrilled to report to you that this has been another exciting year in the life and work of Randolph Baptists. Many activities and events have involved my participation or assistance. Some of these activities that make my work enjoyable are presented in the following statistics.

A. I have preached, visited or participated in:
- 28 Churches
- 26 Opportunities to preach
- 18 Opportunities to speak about my Togo trip
- 37 Committee meetings attended
- 11 Opportunities to share messages to groups
- 17 Pastor's Conferences attended
- 4 Quarterly Leadership Conferences and Executive Committee Meetings attended
- 8 Associational Council Meetings attended
- 31 Personal Conferences with individuals
- 2 Deacon Workshops conducted
- 3 Search Committees for Pastor worked with
- 1 Week of Sunday School Growth Campaign (Saluda, N.C.)
- 1 Week of G.A. Camp as a missionary (Mundo Vista)
- 2 January Bible Studies conducted
- 2 Foreign Mission Rallies conducted

B. Conferences attended outside our Association during the year:
- — State Convention
- — Statewide Evangelism Conference
- — National Conference on World Missions Conference for State Directors (Speaker at one of the sessions, Atlanta, Ga.)
- — National Conference on Biblical Inerrancy, Ridgecrest
- — Week of Christian Studies and Fellowship, Mars Hill College

— Home Missions Week — Ridgecrest (Conference for Directors of Missions)
— Statewide Key Leadership Conference, Ridgecrest

C. Conducted a Witnessing Training Seminar for two days and weekend revival, Cheat Lake Mission, Morgantown, West Virginia.

From these activities, you would think that all I do is attend meetings/conferences. It is a big part of my time and energy, but I see them as the preparation time for the greater ministry we have-building the fellowship among Pastors and Churches, meeting needs of evangelism, missions, and church development, and creating an awareness of meeting human needs in persons around our communities. I feel a greater burden in helping our churches grow in their ministry of touching lives and changing people. To this ministry, I commit my life and energies.

There are two great events that meant much to me this past year.

First, my trip to Togo, West Africa to participate in the evangelistic campaign was a dream come true. I am deeply indebted to the Baptists of Randolph Association for providing the financial resources to go and share the gospel with these people. The response and results were tremendous. God had prepared the hearts of the Togolese people to hear the good news about Jesus Christ. During the nine (9) days I was in the Moretan area, I saw 72 persons make first time decisions for Christ. It has been a joy to share in fifteen (15) churches and three (3) schools and civic clubs. Every church in our association that gave, had a big part in this mission project. We deeply believe it will benefit the churches in months and years to come. Because of this mission trip and the sharing of the gospel, our people will pray more about our mission work and give more toward the ministry of our mission enterprise.

Secondly, the World Missions Conference was our big event for this year in our association. It was a great success. We had 27 churches to participate in hearing five missionaries from around the world. Two foreign, two home, and one state. Over 9,000 persons heard these missionaries share their personal experiences and their work in those eight (8) days. Each of the associational meetings planned for World Missions Conference were well attended. There were over 200 at the rally and fair, 110 at the senior adult luncheon, and 108 at the youth rally. I have participated in six world missions conferences in my ministry, and I believe this one was the best, the greatest. The conference has informed us about our mission work, inspired us to the command and commission of our Lord Jesus Christ, and challenged us to be more involved in praying, giving and going. I am grateful to God for this week of mission emphasis. I truly believe we will see many results in our churches.

As we look toward a new year, let me challenge you as followers and churches to be committed to God's mission for you. Let us affirm the Bold Mission Thrust Goals as our goals as an association of churches. Let us:

1. *Reach People for Christ*
   The Home Mission Board has reminded us lately that our estimated population for 1987 is 99,070, with 66% of our county unreached, unaffiliated by anybody's church.
2. *Develop Believers Unto Christ*
   There is a continuous need to equip the saints by developing believers in prayer, discipleship, stewardship and calling out the called.

3. *Strengthen Missions Through Christ*
   Ongoing missions endeavors, need our attention in mission education, involvement, and increased giving to mission causes.

Through our associational council and organizations, we plan and commit ourselves as leaders to emphasize these Bold Missions Goals for growth in our churches.

As I have visited our churches and shared in the activities of the association, it is exciting to be part of a group of churches that get excited about being on mission for our Lord. I thank God daily for the wonderful privilege He has given me to serve you, Randolph Baptists. During these ten years, we have come to love and appreciate our churches and their leadership. May God continue to bless us richly in spiritual blessings.

Let me remind you that I am available to help our churches. I want to inform and care for you in your church's mission, and to strengthen you as the body of Christ. Remember, the association exists for the needs of the churches. So call upon me. Let us continue to be a fellowship of churches on mission in our county.

In Ministry,
Judson Rotan

ASSOCIATIONAL PRIORITIES GOALS FOR 1988

THE NEED

Randolph County is more a mission field than ever. Population is growing faster than church membership. More babies are being born than believers are baptized. Our ethnic population is growing. Church Extension Department of Baptist State Convention has published a report from the U.S. Department of Commerce, Bureau of the Census, that indicates an estimated population for 1986 in Randolph County as 99,070. By the year 1990, our population will increase 11,510, for an estimated population of 110,580. This is an 11% increase. At the present time, 66% of all Randolph County residents are without Christ. At the rate we are going, our churches are losing ground.

THE VISION

Jesus said: "Lift up your eyes, and look on the fields; for they are white already to harvest." Again He said: "The harvest truly is plenteous, but the laborers are few; pray ye therefore the Lord of the harvest, that he will send forth laborers unto his harvest." The prophet of old — Solomon, wrote in Proverbs 28:18: "Where there is no vision, the people perish."

Our "Jerusalem" and "Judea" is ever before us. Let us lift up our eyes and see Randolph County people as Jesus would see them.

THE CHALLENGE

Bold Mission Thrust — in my life, in my church, in my association — Randolph County.

Business as usual will not do in Randolph County what Jesus wants done. Eyes must be lifted, hearts must be touched, vision must take over. Commitment must become our lifestyle. Churches must take the initiative. Goals must be dreamed. And actions must be planned.

Question: Will your church dare dream a new dream and see visions of God's purpose? Will we?

THE OPPORTUNITY

1. We can grow as servants of Christ and his church.
2. We can reach more people for warm-hearted Bible Study.
3. We can determine to win more people for Christ and baptism.
4. We can start a new outreach Bible Study group.
5. We can help give birth to a new church.
6. We can get serious about training Christian witnesses.
7. We can get concerned about training our membership in Baptist doctrine.
8. We can involve more church members in mission education.
9. We can participate in "volunteer" missions.
10. We can challenge members to enter Christian vocations.
11. We can find a new ministry to meet the need in a community.
12. We can increase our cooperative program giving to missions.
13. We can increase our associational mission giving to 3% of our undesignated gifts in our churches.
14. We can set a new level for our Homes and Hospital Offering and our State Missions Offering.
15. We can pray and work together to be a mighty force of God in a positive witness in our county.

WE CAN MAKE A DIFFERENCE IN RANDOLPH COUNTY

SHARING THE DREAM IN OUR ASSOCIATION: 1988

PRIORITY GOALS

1. We emphasize and cooperate with the Southern Baptist Convention Emphases on Reach People, Develop Believers and Strengthen Missions, and the North Carolina Baptist added emphases New Work and Spiritual Growth.
2. We will continue to build fellowship among our churches by seeking to have 75% of our church leadership in associational meetings and events.
3. We will seek to inform our churches and their membership of the life and work of Randolph Baptist Association through our monthly newsletter.
4. We will provide training for organizational leadership and seek to enlist 25% in receiving Study Course credits.
5. We will seek to enlist 50% of our churches to conduct January Bible Study and Baptist Doctrine Study during this year.
6. We will seek to conduct three Deacon Workshops around the association during the year.
7. We will continue to encourage our churches to be involved in Mission projects; both in financial support and volunteer involvement.
8. We will seek to develop a youth mission team to go to a pioneer area of our nation and conduct mission work for one week.
9. We will seek to encourage each church to set the following goals for church growth.
   (1) to increase church membership by 3%.
   (2) to set a goal of 5% increase in Sunday School enrollment.
   (3) to seek to win and baptize at least 5 persons this year.
   (4) to give at least 3%to associational missions budget from the undesignated gifts.
   (5) to encourage 5, or 25% of the church leadership in training events-workshops.

10. We will strongly emphasize and encourage churches to participate in our Big Event during 1988 — The Year of The Laity through Associational events and activities.

MISSION COMMITTEE REPORT

The work of your missions committee has been focused mainly in two areas this year. First, The World Missions Conference received most of our attention and full support in its preparation. This conference was the highlight of our mission year and we are grateful to Roger Pritchard and Brother Judson who assisted and led our missions committee in the preparation for this successful conference.

Also, our attention was focused on our West Virginia project. We were able to secure the financial response from our association to fulfill our commitment of pastoral support through the end of 1987. This will end our present commitment of support and the missions committee will evaluate this work and report back to the association concerning any further recommendations of support.

We are happy to report that Brother Judson represented our association in a missions project to Morgantown, West Virginia in May. He led a two day witnessing clinic with 15 enrolled and closed the week with a weekend revival that saw several rededications and personal decisions.

WMU REPORT

Emphasis for 1986-87: "Gifted to Serve, Called to Act"

Watchword: "Each one shoud use whatever spiritual gift he has received to serve others, faithfully administering God's grace in its various forms." (I Peter 4:10, NIV)

Activities for the year include:

— Held WMU Fall Training Conference for church WMU age level leaders, at Oakhurst, October 28 from 7:00-9:00 P.M.

— Associational WMU achieved for the fifth consecutive year, the Distinguished Merit based on guidelines set forth in the WMU Achievement Guide.

— One hundred thirty-five kits were furnished as gifts at Christmas for the inmates at the Randolph County Prison Unit. Fifty-five kits were given to inmates at the Randolph County Jail.
— Participated in Associational Key Leadership Conference on January 19, Asheboro, First, by providing a conference for church WMU leaders.
— G.A. Leader Manual Study was held February 6, 5:00-9:00 P.M. at Balfour Church. There were 14 in attendance representing 8 churches.

— A Mission Action Study was held March 16, at the Associational Building with 8 in attendance. Nancy Brenner, Associational Mission Action Director, taught the book, "Show and Tell: Witnessing Through Mission Action."
— G.A. Rally was held April 13, at Oakwood Park Church, from 6:00-8:00 P.M. Guest speaker was Missionary Mary Joe Cook from Chile.
— Associational WMU Annual Session was held April 27, from 7:00-9:00 P.M. at Victory Church. There were 93 in attendance representing 19 churches. Our theme: "Gifted to Serve — Called to Act" was presented by the Associational WMU Council. Program leaders stressed to participants to not only discover and use their gifts from God, but to reach out and encourage others. A great way to do this is to have Mission Friends, G.A.'s, Acteens, Baptist Young Women, and Baptist Women in our churches. Also, during the Mission Action segment of the program, a surprise visit was made by a recipient of clothing, food and best of all, a "Good News" Bible. Each of us was able to laugh at how we sometimes give things that we would neither wear nor eat while others give their best. We also felt tears as we realized that only by the grace of God do we not find ourselves "homeless" as our visitor stated "all she had was in her buggy." But, we also know that through Mission Action, we can reach out and touch lives and help them to lead richer, fuller lives by discovering their gifts and putting them into action.

1986-87 ASSOCIATIONAL SUNDAY SCHOOL REPORT

Sunday School is the great teaching and evangelism arm of the local church. It is imperative in these crucial days to keep our Bible Study programs strong and growing. Yet, Sunday School is beginning to weaken and fall off in many churches. We must all be more faithful to the task and better prepared for the work we do.

Your association Sunday School officers called the ASSISTeam are ready to help you in any way we can. We will never tell you how to teach the Bible. The Holy Spirit will do this. Perhaps we can share with you some materials or ideas that will strengthen what you are already doing.

Since the last annual session we have been blessed to have two full ASSISTeams who have been involved in the following projects: February 10, 1987, the group participated in a leadership training workshop at Ardmore Baptist Church in Winston-Salem; March 22-23, 1987, the Teams taught leadership materials to churches in the association at Asheboro, First and Franklinville, First; Mrs. Deborah Wood, VBS Director and her staff attended the state VBS clinic in Lexington and held the local clinics May 3 at Franklinville, First and May 4 at Balfour Church; several ASSISTeam members attended the Key Leadership Conference May 11-13 held at Ridgecrest; and finally, the Teams will conduct a workshop on October 26, 7:00 p.m., at Asheboro, First for pastors, Sunday School Directors and Sunday School teachers.

CHRISTIAN EDUCATION REPORT

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel award." He meant, of course, that many of the finest most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a life-time. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students and are available to advise and counsel between classes. Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a life-time.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living, but more importantly, Christian education is the best preparation for spending a life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

BAPTIST RETIREMENT HOMES REPORT

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" have this year attempted to "move forward" in three broad directions.

1. *Advocacy for Older Adults*
   During 1986-87, the "Homes" have endeavored to become an advocate, a spokesman, for a very special segment of the state's population . . . the Older Adult. Appearing before church, associational, and convention groups, throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

2. *Quality Care*
   During the year 1986-87, the "Homes" have continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients. In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.
3. During 1986-87, plans for institutional expansion and new development move forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operate. In reaching out in service to Older Adults, the "Homes" offer concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

This is the second year for our receiving of the special Homes and Hospitals Offering. The offering is a result of a decision made in November 1985, at the North Carolina Baptist State Convention's annual meeting in Charlotte to begin a new offering for our Children's Homes, Retirement Homes and Baptist Hospital. Formerly, these institutions received a portion of the State Missions Offering. This is no longer true. Therefore, each of these institutions is relying on the Homes and Hospital Offering to fund part of its work. From 1985 to 1986 there was an increase of $5,067.87 given to this offering.

For 36 years, Baptist Retirement Homes have been defining security, quality medical care, independence, love and much more. 300 senior adults are now making their "Homes" on the five campuses. The senior adults living in the personal care ministry are approximately 85 years of age. Baptist Retirement Homes are working to develop new areas of ministry-respite care, adult care, and home health care.

BAPTIST HOSPITAL REPORT

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute

to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist Churches, the hospital trustees, staff and patients are deeply grateful.

Wayne Vuncannon

CHILDREN'S HOMES REPORT

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home Campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function in society.
2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County.
3. Long-range Planning, which in today's complex world of child care can only extend up to five years, was begun. As a basis for this IRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes and Hospital Offering in May and Cooperative Program Stewardship.

UPDATE/THOMASVILLE FAMILY SERVICES AREA: The Mills Home Baptist Church continues to be a source of encouragement in light of over thirty youth making a profession of faith in Jesus Christ. This is certainly a vital part of the mission endeavor in reaching the world for our Lord.

Miss Leigh Sneed did an outstanding job as our Youth Corp summer worker.

The Arts and Craft Festival continues to be a popular event. Over 500 joined our staff for this exciting event.

Homecoming in August was an enjoyable experience as 1,000 alumni and friends returned home for their annual event. Two former editors of Charity and Children returned for the occasion, including John Roberts, current editor of the Baptist Courier in South Carolina; and Marse Grant, retired editor of the Biblical Recorder.

Charles Goad was named Acting Director, Thomasville Family Services Area.

Larry Sawyer was transferred to the Pembroke Family Services Area.

Through your faithful prayers and generous financial support, we continue to be laborers together for God, grateful for the opportunity to serve with you.

CHRISTIAN ACTION LEAGUE of North Carolina, Inc.

Report to the Association in 1987:

The General Assembly adjourned its 1987 session on August 14, marking the first time in North Carolina's history for the legislature to last into August. Normally the body concludes its work by the 4th of July.

One of the reasons for the session to last as long as it did was due to the "rash" of liquor bills along with gambling initiatives. Longtime legislative veterans stated that this session had more bills to liberalize our liquor law than ever. With the liquor lobbyists and gambling proponents working over-time, no wonder this session went on and on.

A major victory can be claimed by the defeat of the statewide lottery proposal. Due to Virginia's recent passage of such a bill, the heat from the gambling industry was evident. With opposition to the proposal coming from Governor James G. Martin, Lt. Governor Robert B. Jordan, and House Speaker Liston B. Ramsey, the bill died in a Senate Committee.

However, the gambling industry did not fold up its tent and go home. A parimutuel gambling bill, Senate Bill 732 is still alive. Its sponsor, Senator Kenneth Royall, was able to get the measure held over until the 1988 legislative session. This proposal will open the door for horse and dog gambling tracks.

Your association needs to pass a resolution opposing Senate Bill 732, in parimutuel gambling proposal. Send copies to Governor James G. Martin, Lt. Governor Robert B. Jordan, III, and to your State House and Senate members.

In the war against pornography, we have special reasons to be thankful. The North Carolina Supreme Court has recently upheld the constitutionality of our 1985 Comprehensive Obscenity and Child Protection Act. The "smut peddlers" have contested this statute in both the state and federal courts. Each time the courts have ruled in support of the measure. Prior to the enactment of this nationally acclaimed law, North Carolina was known as the nation's porn capital with more porno outlets per capita than any other state. We have gone from some 750 pornography outlets to less than 50. No longer do you find sexually oriented publications available and accessible to children in convenience stores, etc.

The porn industry hasn't thrown the towel in either. There will be more court cases. In the current session of the N. C. General Assembly, an effort was made to "gut" our obscenity statute. Rep. Ivan Mothershead of Mecklenburg County sought to insert into our law a provision to apply a statewide standard rather than a community standard. Of course, that innocent sounding wording would have rendered our obscenity statute unconstitutional. The U. S. Supreme Court in its 1973 landmark case, Miller vs. California, set forth as a basic test in determining obscenity was the applying of a contemporary community standard rather than a statewide one. This reveals the importance of what one word could do to a good law. We are grateful that Rep. Mothershead was unsuccessful in his attempt.

Rep. Mothershead sought to repeal our newly enacted age 21 drinking law, but he was unsuccessful in that attempt. Of course, the beer industry was behind that effort, but the loss of federal highway funds for N. C. highway building projects was more than the legislators were willing to tackle. If Mothershead would have been successful, the state would have had to pass a considerable increase in motor fuel taxes. This might have been the reason behind his effort to raise gasoline taxes.

Thank you for standing with us in the ministry of applied Christianity. Through your prayer and financial support, you help us to be an effective applicator of "salt and light."

AMERICAN BIBLE SOCIETY REPORT

With your help many of the opportunities the Lord has given us to share His Word with people throughout the world are being met. Through the United Bible Societies, the international cooperative network of national Bible Societies of which the American Bible Society is a leading member, 600,128,459 copies of Scripture were distributed worldwide during 1986 — an increase of 9.4 percent over 1985.

The American Bible Society is continuing to lend assistance to ongoing Scripture translation projects in 555 languages. In 348 of these, some part of the Bible is being translated for the first time.

In **Colombia,** local Bible Society workers are witnessing an enormous interest in reading and studying the Bible on the part of the general population, as is evidenced by the year's Scripture distribution total of 6,616,978 copies. During 1986 a project was launched to enable young people to obtain a Bible and to encourage them to read it and share its message with others. Many major universities became the focus of efforts to promote the

reading of God's word among students. For young children, Scripture coloring books are provided to schools for use in religious education classes. The Bible Society often works with churches in planning special programs for areas where the people are very poor and often have difficulty reading, and its material is also used in government literacy campaigns.

In **Kenya,** the task of opening God's Word for all is a very demanding challenge. Although there are only two official languages — kiSwahili and English — their use is limited to only 15 percent of the population and is concentrated in urban areas. Over all, 602,200 copies of Scripture in all categories and in many languages were distributed last year.

In the **Philippines,** recent events have brought both renewed hope and an urgent need to rebuild national institutions and values. Today, more than ever before, people are turning to the Bible to discover what God's Word has to say to them. The Bible Society is expanding its distributions programs so that all may have easy access to the Gospel's message of comfort and reconciliation. Scriptures are also produced in braille and large-print versions and the New Testament has recently been brought out on audio cassettes. In total, 8,600,532 copies of Scripture were distributed throughout the country.

The work of the American Bible Society embraces many ongoing ministries which have become a regular part of its outreach each year. These include serving the special Scripture needs of hospital patients, nursing home residents, inmates of correctional institutions, blind and visually-impaired people, men and women in the armed forces, and the many thousands of expatriates from other countries who require specially-prepared editions of God's Word in their own language.

Scriptures for Young People, Evangelism, the military, and in languages other than English are the key areas of need.

We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it always has done. In 1986, the Southern Baptist Churches gave $272,277 to the American Bible Society in support of the worldwide Bible Cause.

BAPTIST FOUNDATION REPORT TO THE ASSOCIATION, 1987

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership, and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to

initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and Wills has been "Give it Twice." A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

In cooperation with the state convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

THE BIBLICAL RECORDER
Report to the Association — 1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder!*

The state Baptist paper for North Carolina always tries to tell it like it is — the good, the bad, the victories and the warts — with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain — only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, *The Recorder* Directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

The Biblical Recorder

May God help us all to work together to share the Good News with the World, starting where we are and reaching to the ends of the earth.

EVANGELISM REPORT

1988-89: THE YEAR OF THE LAITY in Evangelism and Discipleship

This is a joint effort in Evangelism and Discipleship by the State Evangelism Department, The Home Mission Board, Church Training Department, Sunday School Board, Brotherhood Commission, Woman's Missionary Union, the local churches and The Randolph Association.

With a desire to involve members of every Southern Baptist Church in

personal witnessing, church renewal, and discipleship. With lay renewal weekends, and lay evangelism weekends, lay evangelism schools, training Sunday School workers in evangelism, Baptist Doctrine study, MasterLife, DiscipleYouth courses, reclaiming inactive church members along with many other church and association plans available to help and support in the winning of people to the Lord Jesus Christ, during THE YEAR OF THE LAITY.

Each church is encouraged to elect an evangelism director, or committee to plan and carry out the plans for the year's activities for evangelism during this year.

Try to have:

A. Lay Renewal Weekend
B. Lay Witness Weekend
C. Discipleship Training

OR try to put forth some extra effort to win the lost in and near your church. Observe Witness Commitment Day, January 10, 1988. Attend the Evangelism Conference in Greensboro, February 8, 9 and 10. The association is planning an evangelism conference in the spring of 1988 and there are many other things planned to help us be conscious of the need and help prepare us to be involved in an effort to be better witnesses for Jesus and involve the lay people. The pastor must be the player coach on the team.

The Lay Evangelism Training film was made for The Home Mission Board by Richard Everett, and is available to the Randolph Association from the Evangelism Department.

So let's pray much, train well, work hard, trust God and He will help us win many persons to Jesus Christ here in the churches of Randolph Association.

In His Service,
Carl King

BRIEF HISTORY OF BALFOUR BAPTIST CHURCH

The history of Balfour Baptist Church had its beginning in the spring of 1931. This glorious event took place in the Balfour school building and was sponsored by the First Baptist Church of Asheboro.

It was on November 8, 1931, at 2:30 P.M., a meeting was called to organize a church in North Asheboro. The Council was composed of Rev. Hoyle Love, Rev. H. M. Stroup and Rev. O. P. Dix. Rev. Love was elected Moderator and Rev. Dix was elected secretary.

After a sermon by Rev. Stroup, the following presented themselves for membership and became charter members: W. J. Jordan, C. N. Moody, W. M. Green, J. C. Pearce, Mrs. J. C. Pearce, Mrs. A. L. Moody, Mrs. W. A. Underwood, Mrs. R. C. Caudle, Mrs. Edna Pearce Heath.

The Articles of Faith and the Church Covenant were read by Rev. Love and adopted by the new church. The name, **BALFOUR BAPTIST CHURCH**, was adopted. The doors of the church were opened and A. M. Newell and W. F. Cates presented themselves for church membership under watchcare until their letters could be secured from former churches.

The new church extended a unanimous call to Rev. O. P. Dix to become their first pastor. He accepted the call and served the church until December 31, 1936. Early in his pastorate the first auditorium was erected and the first service was held on November 26, 1933.

On November 15, 1936, Rev. R. E. Heath became the second pastor. He

assumed his duties on January 3, 1937 and served until July of 1951. Under his leadership the first educational building was built, thus making possible greater Sunday School growth, from ninety-five to two hundred eighty-nine.

Rev. Herbert P. Miller assumed duties as pastor on November 11, 1951, and served until April, 1959. During his pastorate, a new educational building and a temporary auditorium was erected.

Rev. W. Clyde Bearden served as pastor from October 11, 1959 until October 31, 1962.

Rev. John W. Woody became the next pastor and assumed his duties on July 7, 1963, serving until December 31, 1967.

Other pastors are: Rev. Tobert W. Nelson, from July 31, 1968 until September 30, 1972. Tom Patterson, April 15, 1973 until December 3, 1977. Under his pastorate, a new sanctuary with a larger seating capacity and more educational facilities were constructed. This new worship center was dedicated on October 24, 1976. Reverend R. Talmage Smith, former Randolph Baptist Associational Director of Missions, served as interim pastor until April 14, 1979, when a call was extended to Reverend B. L. Kincaid. Bob Blanton is now pastor of The Balfour Baptist Church.

BRIEF HISTORY OF FIRST BAPTIST CHURCH
Liberty, N.C.

The Liberty Baptist Church, later named First Baptist Church, was organized on the second Sunday in March of 1886 and was an arm of Mount Zion Baptist Church in Alamance County as most of the members moved their letters from that church.

Rev. E. P. Ellington was the first pastor, T. N. Robertson was the first Sunday School Superintendent, and Miss Lillie Stroud was the first pianist.

There is no record of when the first church was erected after the organization, but the building was on East Swannonoa Avenue. After the church moved, the building was converted to a dwelling and later was destroyed by fire.

The second church on the corner of Raleigh and Fayetteville streets was completed in 1912 while Rev. J. B. Willis was the pastor. An educational building was added and completed in 1946 when Woodrow W. Hill was the pastor.

In 1943, the First Baptist Church became a full time church and Rev. John G. Hicks was the first full-time pastor. Previous to that time, the church had preaching service on two Sundays in each month.

The third and present church on South Fayetteville Street was dedicated on July 31, 1977, with Rev. Reginald G. Dawkins as pastor.

The First Baptist Church has during its existence had 32 pastors.

A full mission program is carried on by the church with active Woman's Missionary Union and Baptist Men Organizations.

The church has a membership of 320.

Young people have gone out from this church to become doctors, nurses, lawyers, architects, scientists, teachers and to be successful in the business world, and six have gone into full time Christian Service, one of which has served on the Foreign Mission field.

3. The location of missions or new churches shall be determined by the need revealed in an adequate survey conducted by the Missions Committee and local interested groups or churches.
4. Any church, committee, group or individuals considering beginning new work, acting with or without church sponsorship, should approach the Missions Committee for guidance before having any service or choosing a temporary or permanent location.
5. The Missions Committee shall institute basic, understandable operational procedures and practices for a mission that leads in establishing and strongly urges that each church establishing a mission does the same. The guidance of missions by the Missions Committee shall continue until a cooperating church or churches can be led to accept the responsibility of sponsorship.

The committee shall also commend those persons and institutions that uphold Christian virtue, and shall support the churches in the teaching of Christian personal and social righteousness. The committee shall report to the Executive Committee and Annual Session when needed.

ARTICLE VIII — ORDINATION AND CALLING OF PASTORS

Section 1. Inasmuch as the ordination of a man to the gospel ministry by any church in this Association is expected to be recognized by the denomination as a whole, the churches are counseled to be extremely careful in the matter of setting men apart for this sacred calling, ordaining only those who, by irreproachable character, piety of life, doctrinal soundness and suitable talents, give promise of honoring the name of Christ and of rendering acceptable service in the Missionary Baptist ministry.

Section 2. To aid the churches in this vital matter, the Association will appoint each year a committee of five of the pastors to be called the Committee on Ordination. Any church desiring to ordain a brother to the ministry may request the Ordination Committee to act as a presbytery for the purpose of examining the brother according to the guidelines found under Duties of Ordination Committee.

Section 3. The churches are urged also to exercise the utmost care and wisdom, earnestly seeking the guidance of the Holy Spirit, in calling of their pastors, choosing only men who give evidence by their Christian character, cooperative spirit and leadership ability, that they will serve the best interests of the churches, the denomination, and the cause of Christ.

DIRECTOR OF MISSIONS REPORT

It is my joy once again to report to you the activities of our work and ministry among the churches of Randolph Association. I appreciate the cooperation with our associational leaders, pastors and lay leaders in our churches. Without their assistance, we could not provide an effective ministry. I am eternally grateful for another good year.

During this associational year I have been in twenty-eight (28) of our forty-two (42) churches, visiting, preaching, teaching, leading a conference or a workshop. My ministry has carried me over 13,000 miles to our churches, attending meetings within our association, and conferences and meetings outside this association. This year I have worked with three (3) Pastor Search Committees, giving them orientation, helping to search for a pastor.

Again, my weekly schedule has been with associational committees, associational council, pastors' conference, personal conferences, and the hours of planning and preparing for associational events and meetings.

Some of the special events I was involved with were:

1. Involved in the 100th anniversary of the First Baptist Church, Franklinville, in October.
2. Involved in the ordination of Dean Beck, Victory Baptist Church, October, 1987.
3. Attended the Baptist State Convention, Greensboro, N.C.

4. Attended the Triad Director of Missions Conference, Southeastern Seminary in January, 1988.
5. Shared in a World Missions Conference in Bladen Association, Bladenboro, N.C. in February,1988.
6. Attended the Director of Missions Update, Baptist Sunday School Board, Nashville, Tennessee in March, 1988.
7. Carried twelve of our associational leadership to Ridgecrest for Key Leadership Conference in May, 1988.
8. Attended the Southern Baptist Convention in San Antonio, Texas in June, 1988.
9. Attended the Annual State Director of Missions Conference, Wingate College in June, 1988.
10. Served as a missionary for one week at Mundo Vista, in July, 1988.
11. Attended the Home Mission Week at Ridgecrest in August, 1988.
12. Shared in a World Mission Conference, Surry Association, Mount Airy, N.C. in September, 1988.

Along with these many activities, are the many administrative duties that could not be mentioned in this report. The daily routine is important for the function and work of the association. Also, each month we print around 700 newsletters, which go to the leadership of our churches. Communication is so important with our ministry.

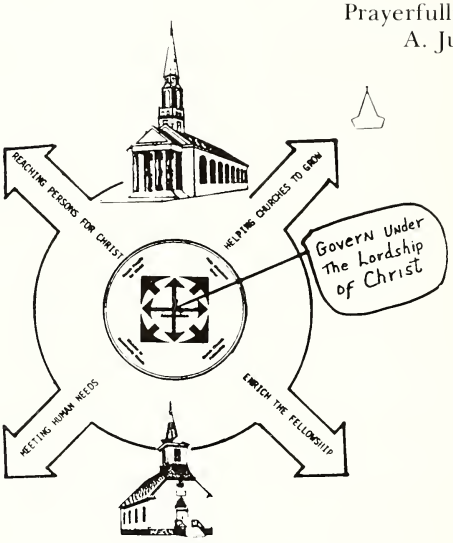

As we look to 1989 and 1990, our big emphasis will be the preparation and training for the 1990 *"Here's Hope, Jesus Cares For Us"* Simultaneous Revival Crusade, (April 1-9, 1990). The Evangelism Committee is preparing now for the involvement in this very important emphasis. In 1989, there will be an Associational Pastors' training school for conducting Lay Witnessing Schools in their churches. Also, there will be Bible distribution and people search, all in preparation for the 1990 Simultaneous Revivals.

Also, 1989 and the following four years, will give us, as an association, an involvement in Foreign Missions, personally. If our association votes positively for our involvement in Sao Paulo, Brazil, we will have the opportunity for pastors and laypersons to go to Brazil once or twice a year to share with the association and churches in that area. We will possibly team up with Sandy Creek and Sand-Hills Baptist Associations for this mission project. For the last five years, we have been in West Virginia and in areas of our association. Now we have an opportunity to share in missions abroad. I am excited about this possibility.

One concern I share with you about our association. At our last associational meeting in 1987, we adopted a 5% increase in our budget for the association. But during 1988, our churches did not give to associational missions in ratio to our budget increase. We have lived under the stress of month by month financial burden. We have not met our monthly budget. Many programs were cancelled that had been planned. These are the first to be cut because maintenance and operational expenses must be paid. We only received $882.85 more in 1988 than in 1987. Let's compare this to 1986 against 1987. We gave $5,997.21 more in 1987 than we gave in 1986. We need ALL our churches giving 3% of their undesignated offerings to meet our budget of 1989. With a 4% increase in the 1989 proposed budget, our churches must consider their gifts to the association. The average from all our churches is 1.9%. Some of our churches are giving 3%, three (3) are giving 4%, but many are just giving 2% or less. We have a bright future for ministry and missions in Randolph County. I pray our churches will respond to the financial challenge.

Every year, the root I plant here becomes more dear and precious. I am grateful to God for the privilege you give me to serve as your Director of Missions. As I visit around the association in our churches, it is thrilling to see what God is doing in our midst. We are a family of churches that, I believe, are growing with excitement about our part of being on mission for our Lord. May God continue to lead us and give us the challenge about our county — our mission field for God.

Prayerfully submitted,
A. Judson Rotan

STRATEGY PLANNING

RECOMMENDATION:

The Associational Council that meets monthly for planning, evaluation, and coordinating of programs and events, after study and discussion about the purpose, needs, and objectives of the association, recommends that Randolph Baptist Association enter into strategy planning process during 1989 with the assistance of the Associational Development Department, Baptist State Convention. After the process has been completed, the conclusions and recommendations be presented to the Annual Meeting in 1989, or at a called meeting of the association for approval.

A. **WHY SHOULD ASSOCIATIONS DO STRATEGY PLANNING?**

1. Every Association is unique.
2. Helps the association to see its needs and opportunities in the geographical areas of the county.
3. Helps an association to affirm its mission and purpose.
4. It gives the association an opportunity to study its effectiveness — through its personnel; objectives; goals; yearly action plans; method of evaluation; local church penetration; and how it is viewed by the community.

5. Helps the association to look at the present organization and upgrade them for future needs.
6. Population shifts cause communities to grow or die continually which places ministry opportunities in a different context.

B. **STRATEGY PLANNING IS A PROCESS**
1. It is a process by which an association determines its purpose, identifies its objectives, and sets its course of action within its unique situation.
2. It is usually done each five years.
3. The design for Strategy Planning is one of gathering data, interpreting data, and producing a report of the findings.
4. Through the process, an association will discover some needs that will give the leadership of the association some priorities on which to design and conduct an associational program that will minister to the needs of the people and the churches of the area.

C. **STRATEGY PLANNING IS DONE BY TASK GROUPS**
1. Around 35 or 40 people are enlisted across the association to serve on these groups.
2. Groups are:
   (1) Statement of Purpose task groups
   (2) Publication task group
   (3) Church Study task group
   (4) Associational Organization study task group
   (5) Population Study task group
   (6) Social Systems task group
   (7) Other Religions Study task group
   (8) Resources Study task group

D. **PROCESS BEGINS WITH AN APPOINTMENT OF THE ASSOCIATION STRATEGY PLANNING STEERING COMMITTEE**
1. Be appointed at the November Executive Committee Meeting.
2. TASK GROUPS to be elected in January at the Executive Committee Meeting.
3. Planning Retreat in late summer.
4. Association votes on the Strategy Plans at Annual Meeting in 1989.

ASSOCIATIONAL PRIORITIES GOALS FOR 1989

THE NEED:

Randolph County is more a mission field than ever. Population is growing faster than church membership. More babies are being born than believers are baptized. Church Extension Department of Baptist State Convention has published a report from the U.S. Department of Commerce, Bureau of Census, that indicates an estimated population for 1988 in Randolph County as 101,000.

During the first part of 1988, the Piedmont Triad Council of Government shared the following report: Randolph County during 1980 to July 1986, experienced an 8% growth while the average growth rate for the six counties in the region was 4.8%. We are reminded constantly that 66% or 66,000 residents of Randolph County are unreached, unaffiliated with any church. They are lost without Christ as Lord and Savior and without hope in God.

We are also reminded that at the present time, 51.5% of all North Carolinians are without Christ. By 1990 our population in N.C. will be an estimated 6.5 million people. The big fact that we need to face; at the rate we are going, our churches are losing ground in their efforts to reach persons for Christ.

THE VISION:

Jesus said: "Lift up your eyes, and look on the fields; for they are white already unto harvest." Again, He said: "The harvest truly is plenteous, but the labourers are few; pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."

The prophet of old, Solomon, wrote in Proverbs 28:18, "Where there is no vision the people perish."

Our "Jerusalem" and "Judea" is ever before us. Let us lift up our eyes, and see Randolph County and its increased population for Christ.

THE CHALLENGE:

Let us reaffirm Bold Mission Thrust as the key for our growth. Bold Mission Thrust — in my life, in my church, in my association — Randolph County.

Business as usual will not do in Randolph County what Jesus wants done. Eyes must be lifted. Vision must take over. Commitment must become our lifestyle. Churches must take the initiative. Goals must be dreamed. Actions must be planned.

Let us remember that Bold Mission Thrust is not so much people reached or monies given as it is a spirit that must be caught, a spirit that must motivate us to go, teach, share and give.

Will your church dare dream a new dream and see new vision of God's purpose in their midst? Will we?

THE OPPORTUNITY:

1. We can grow as servants of Christ and His church.
2. We can reach more people for warm-hearted Bible Study.
3. We can determine to win more people for Christ and Baptism.
4. We can start a new outreach Bible Study group.
5. We can help give birth to a new church.
6. We can get serious about training Christian witnesses.
7. We can get concerned about training our membership in Baptist doctrine.
8. We can involve more church members in mission education.
9. We can participate in "volunteer" missions.
10. We can challenge members to enter Christian vocations.
11. We can find a new ministry to meet the need in a community.
12. We can increase our cooperative program giving to missions.
13. We can increase our associational mission giving to 3% of our undesignated gifts from our church.
14. We can set a new level for our Homes and Hospital Offering and our State Missions Offering.
15. We can pray and work together to be a mighty force of God, in a positive witness, in our county.

WE CAN MAKE A DIFFERENCE IN RANDOLPH COUNTY

* * * * * * *

SHARING THE DREAM IN OUR ASSOCIATION, 1989

OUR PRIORITY GOALS:

1. We will emphasize and cooperate with the Southern Baptist Convention Emphasis on Reach People, Develop Believers, and Strengthen Missions, and the North Carolina Baptist Convention with emphasis on New Work and Spiritual Growth.
2. We will continue to seek to enlist 75% of our church leadership in our Key Leadership meetings and conferences.
3. We will seek to inform our churches and their membership of the life and work of Randolph Baptist Association through our monthly newsletter.
4. We will seek to enlist 50% of our churches to conduct January Bible Study and Baptist Doctrine Study during the year.
5. We will seek to conduct Deacon Workshops and Conferences each quarter around the Association.
6. We will continue to encourage our churches to be involved in Mission projects; both in financial support and volunteer involvement.
7. We will seek to develop a youth mission team to go to a pioneer area of our nation and conduct mission work for one week.
8. We will seek to encourage each church to set the following goals for church growth.
   (1) To increase church membership by 5% (100 × .05% = 5; 200 × .05% = 10; 300 × .05% = 15).
   (2) To set a goal of 10% increase in Sunday School Enrollment. (100 × 10% = 10; 200 × 10% = 20; 300 × 10% = 30).
   (3) To seek to win and baptize at least 10 this year.
   (4) To encourage the church to give at least 3% to Associational Missions budget from the undesignated offerings.
   (5) To encourage each church to lead and involve 25% of the church leadership in training events, conferences and workshops.
9. We will seek to lead our churches to pray and plan for the Big Event for 1990; *"Here's Hope, Jesus Cares For You" Simultaneous Revivals* in April, 1990.
10. We will seek to inform, enlist and train 75% of our pastors in Lay Evangelism Schools for the local church during 1989.
11. We will seek to create a spirit for revival and renewal in our association during 1989.

SUNDAY SCHOOL

The theme for Southern Baptists in Sunday School work is called 10/90. It simply means that by the year 1990 we will have enrolled in our Sunday Schools ten million people or more. This plan follows the Bold Mission Thrust goals that were set for 1985-1990.

In Randolph County the ASSIST TEAM is working to help local churches reach our part of the national goal. On October 26, 1987, the first of the associational leadership workshops for Sunday School leadership was held at First Baptist, Asheboro. All age levels were included. In January, 1988, the first Associational Key Leadership meeting was set for January 18. Phil Stone of the State Sunday School Department led our section of the meeting which was attended by the most number of churches of any Sunday School Conference during the year.

The ASSIST TEAM traveled to First Church, Cary, on February 5, 1988, for a two-day workshop on the state level. Preparation was made for associational workshops that would be held later in the year. Randolph Association had this meeting on March 21-22 at First Baptist Asheboro, where the "People Challenge" materials were taught. The emphasis of this series is outreach.

Deborah Wood served with distinction as the VBS Director. Her group attended the state VBS Clinic March 7-8 and was equipped to lead the associational clinics. These clinics were held May 23 at Liberty First and May 24 at Seagrove First. These meetings were the best attended VBS clinics in years.

Key Leadership Conference held at Ridgecrest May 9-11, and was attended by the Sunday School Director and Dale Robertson, who went to the meetings for Outreach Directors. The materials and information received in this conference were used at the August 29 Associational Key Leadership meeting at Balfour Baptist.

Plans for the new associational year for Sunday School Work will include many of the programs that have been used this year and found to be effective. In addition, at least three area Sunday School Conferences have been planned throughout our association for 1988-89.

Sunday School Director

MISSIONS COMMITTEE

This past year has been a busy one for your Missions Committee. Our quarterly meetings have been filled with much discussion of items of great interest and concern to our Association. The following are highlights of our work.

1. *West Virginia Project* — We agreed to continue our financial aid to the Cheat Lake Mission in Morgantown, WVA for $3,000 for the year. In April we learned that the Mission, after calling a pastor, decided to break with Calvary, (their mother church) and to constitute into the Cheat Lake Chapel. After communications with the pastor and other involved people, we felt it necessary to continue our financial commitment for the year. We continue to be encouraged with their progress and growth.
2. *Youth Mission Team* — We discussed the possibility of a Youth Mission Team to travel to New Hampshire during the summer of '88. This trip had to be cancelled.
3. *Brazil Partnership* — We discussed at length our participation in the Brazil Partnership, a state effort to link N.C. Baptist Associations with Brazilian Associations (similar to our Togo Partnership). Having postponed earlier involvement due to lack of information, we agreed in August to team up with two other associations (Sandhills and Sandy Creek) to be assigned to two Brazilian Associations for a four-year partnership.
4. *World Missions Conference* — We recommended March '92 for our W.M.C.
5. *Cedar Grove Mission* — We continued to urge support for their building needs.
6. *Togo* — We encouraged churches to give $200 each to help purchase a Solar System in Togo.
7. *New Work* — We discussed the possibility of securing a summer worker for the summer of '89 or '90 to survey target areas to determine if needs exist for new work.
8. *Missions Development Program* — The chairman attended Ridgecrest training session designed to help associations make the transition from the present Mission Committee structure to a Mission Development Program.

WEST VIRGINIA PROJECT — CHEAT LAKE CHURCH

During the last three years, our Missions Committee and the churches of Randolph Baptist Association have been involved in helping the Calvary Baptist Church, Morgantown, West Virginia in starting a new mission on the east side of the city. Our commitment has been through pastoral assistance, Youth Mission Team, and Lay Involvement.

Much has happened this year with the Cheat Lake Mission. Since Mark Spain, the Home Mission Board Church Planter, left the mission in the summer of 1987, the mission formed a Search Committee to seek out a pastor for the mission.

David Smith of Grafton, West Virginia, along with his wife and their six (6) children, was called on January 10 as pastor. By March, the Cheat Lake Mission had shown a 20% increase in attendance. Several groups were formed: A WMU group, prayer group, a men's group, a Bible Study in a home, Sunday and Wednesday night services, and a new place to meet, an unused Catholic Church.

Because of the growth of the mission, they decided to constitute into a church. On Easter Sunday, April 3, 1988, the mission was constituted as the Cheat Lake Baptist Church. During the month of April another 20% growth took place, with 70 enrolled in Sunday School and an average attendance of 52 since January. The church had 42 members when they constituted.

Our Missions Committee decided to keep our commitment to the constituted church with $250.00 per month. In August, 1988, we sent our $3,000.00 commitment for the year.

A letter from the Pastor, David Smith, on September 12, 1988, giving the progress of the church was received. Portions of the letter are as follows:

"The Cheat Lake area is continuing to grow as is the church. Six weeks after I came to the Chapel (Mission), we moved to the Catholic friary across the lake. We pay two hundred dollars per month and have education space for 75-100 and worship seating for 225. We're not full, but getting close.

"Our goal in October, 1988, is 90 in Sunday School and 120 in worship. Currently, we have 65 in Sunday School with an enrollment of 61. This fall we created 2 new classes, a junior high and a college/career class."

"We have begun a full agenda of programs, including G.A.s with 14 attending, a Mission Friends group with 8 attending, and WMU Bible Study with 21 attending bi-weekly. Also, we have R.A.'s and a Baptist Men's group. This fall we are planning a Fellowship of Christian Athletes Chapter in our local school."

"As we see it here in West Virginia, we have great mission opportunities, but none hold the potential that we share. Already the church has reached the point that no outside support is needed to finance the ministry programs or personnel. All outside gifts are considered designated toward property and building. With this in mind, the church voted to increase Cooperative Program giving to the point that we are the 2nd highest contributor to the association and one of the strongest Southern Baptist Churches in this part of the state. Your early vision and prayerful support has born fruit."

"Again, I thank you for the money, but more than that the encouragement and prayers that came with the check."

The Missions Committee will give prayerful consideration to our continuous support for 1989 to the Cheat Lake Baptist Church.

Judson Rotan, for the Missions Committee
Randolph Baptist Association

BRAZIL PARTNERSHIP

WHAT?

The Missions Committee of Randolph Baptist Association recommends that we participate in the partnership of missions and evangelism with an association in Sao Paulo, Brazil, South America, teaming up with Sandhills and Sandy Creek Associations in the project. The link between our association and the Sao Paulo Association is a segment of a larger partnership between the Baptist State Convention of North Carolina and the Baptist Convention of the State of Sao Paulo. This is a five-year partnership that began January 1, 1988 and will continue through December 31, 1992. A coordinating council, composed of the three associations, will plan and direct the project and trips to Sao Paulo.

WHEN?

Possibly two trips a year will be planned over these next four (4) years. Further details will be worked out by the coordinating council the first of 1989.

WHO?

Any Randolph Baptist, age 16 or older, may apply for a trip. Pastors, laypersons are all needed. At first there will be evangelistic efforts with house to house visitation and revival services. There could be construction and other projects later. Each person must be a committed Christian who is dedicated to missions and evangelism.

COST?

The total cost per person for each trip in 1989 is $1,500.00. This includes air and ground transportation, food, lodging, insurance, airport taxes and all other travel expense.

ACTIVITY?

EVANGELISM: Persons will be expected to witness alongside a Brazilian Baptist as interpreter in selected communities. This will involve house to house visitation using bilingual tracts. Laypersons will share individual testimonies during evangelistic services and pastors will preach during these services through an interpreter.

CONSTRUCTION:

During the last two years, there could be construction of church buildings, working alongside Brazilian Baptists. The goal is for each construction team to build a church facility while in Brazil and worship in the building on the last Sunday before departure to the states.

MORE DETAILED INFORMATION WILL BE GIVEN THE FIRST OF 1989

EVANGELISM COMMITTEE

The Evangelism Committee has met three times this year to discuss ways and activities to make our association aware of the great opportunity we have. We were reminded each time of the lostness of our population — 66% of our population of 100,000 people in Randolph County are unreached, unaffiliated with any church. They are lost without Christ, without hope in God.

There was the Associational Evangelism Rally in February at Cross Road Baptist Church, with over 150 people present.

The Director of Missions and I attended the Evangelism Prayer Breakfast in Greensboro during the State Evangelism Conference.

We also had a one morning Pastor-Lay Evangelism workshop at the cafeteria at Randolph Mall. We had around 12 present.

I had the privilege to lead the pastors in the Key Leadership Conference in August.

Being deeply aware of the great need to reach persons for Christ in our county, we as the Evangelism Committee, wish to recommend to the association the following:

1. That we, as Randolph Baptist Association, participate in the "Here's Hope, Jesus Cares For You" simultaneous revivals, April 1-8, 1990. (These are the suggested dates for the Piedmont area.)
2. That a Steering Committee be elected to form and plan for the involvement of our churches in this revival emphasis. We suggest the following:

General Chairman
Rev. Ron Chaney, Gravel Hill 857-2849
Vice Chairman/Enlistment
Rev. Mark Sink, Macedonia 622-3717
Rev. John Henderson, Victory 873-7995
Bobby Poole, Calvary 629-2928
Fellowship Committee
Rev. Richard Crider, Oakhurst, Chm. 625-3856
Rev. Larry Pugh, Deep River 879-5285
Prayer Committee
Nelson Rowland, Asheboro First, Chm. 672-2870
Jerry Glenn, Cross Road 625-3772
Rev. David Williams, Maple Springs 873-7903
Publicity/Media
Roger Pritchard, Balfour, Chm. 625-6258
Rev. Phillips McRae, Mt. Pleasant 622-2732
Ronald Cain, Seagrove, First 873-7686

After the orientation of the Steering Committee, one of the first events in our preparation will be the Pastors' Training School for Lay Evangelism Schools in the churches. This is scheduled now for February 21-24, 1989, with Rev. James Lowry, pastor of Chapel Grove Baptist Church, Gastonia, N.C. He is a certified Trainer, approved by the Evangelism Department, Baptist State Convention. Pastors will be encouraged to be certified and then lead a Lay Evangelism School in their churches in late spring or early fall.

We are told that only three percent of all the lost persons ever come to our churches on their own. This means that 97% are out there lost without hope, without help, and without Christ in their lives. These people will die and go to hell unless we go to where they are and share Jesus with them. The Great Commission has almost become the Great Omission. Let us remind ourselves of Psalm 68:11, "The Lord gave the Word; great was the company of those that published it."

Respectfully submitted,
Ron Chaney

ANNUITY BOARD REPORT

From the onset of the Annuity Board in 1918, there has always been the abiding awareness that our work is the work of the Lord. The main reason for the Board's ministry is exactly the same today as it was then — to serve those who serve the Lord.

Our churches have the privilege to participate in the continual care of our ministers and church staff members beyond the age of their retirement thru the Annuity Program.

As of August 10, 1988, there were *23 churches in the Randolph Association* participating in the *Expanded Annuity Program.*

North Carolina's response to renewed efforts to upgrade contributions of those already members of the Annuity Board of the Southern Baptist Convention's retirement plans and to secure new participants continues to be exciting. Consider these facts:

— There have been 129 new members enrolled in the retirement plans during the period January 1 - July 15.
— There are now 2,319 North Carolina churches and associations contributing to retirement plans.
— North Carolina has 1,803 signed Cooperative Agreements! More than any other state — including Texas.
— The number of churches participating at the old Plan A level of $33.34 has *decreased* from 439 to 166.
— The average annuitant in North Carolina receives $234 per month, up from $196.
— North Carolina has 3,644 members making contributions to Annuity Board retirement plans.
— There are 1,592 annuitants receiving benefits each month in North Carolina — $372,422.85 each month.

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches and ministers aware of the opportunities and the need to act on them. But there is still much to be done! Consider these facts:

— Only 64% of our churches are participating in our retirement plans — even after all these years of opportunity.
— Of this 64%, many do not actually make contributions. The minister does this on his own.
— Small contributions make the annuitant's benefits small: In North Carolina:

182 receive less than $50.00
469 receive less than $100.00
954 receive less than $200.00
1,216 receive less than $300.00

If there is any way we can help your church in adopting the Annuity Plan, we will be more than happy to aid you.

NORTH CAROLINA BAPTIST COLLEGE REPORT — 1988
COUNCIL ON CHRISTIAN HIGHER EDUCATION
BAPTIST STATE CONVENTION OF NORTH CAROLINA

What Is A Baptist College?

First, Baptist colleges are *colleges,* places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty

members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "*Baptist*" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

BAPTIST RETIREMENT HOMES REPORT

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

Based on the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness, the Homes believe this message offers Older Adults the meaning, purpose, and dignity needed to enrich their lives.

The Homes operate facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

II. NEED

According to a January, 1987 Report of the Office of State Budget of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 by 1995, and 286,831 by the year 2000. Statistics from the N.C.

Baptist Older Adult Population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist life (those most likely to need residential care) is predicted to be more than 50% by the year 2000. Baptist Retirement Homes has launched a bold new program of development and ministry to address this great challenge.

A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in S.C. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance.

The fastest growing segment of N.C. Baptist life is the Older Adult population. The needs for residential living opportunities on all levels grow as the population does. A large number of Baptist Older Adults cannot afford the cost of services within a residential environment. Particularly is this true for a large number of retired pastors and their spouses. Because of having lived in parsonages or have been given housing allowances, they have never developed home equity and it is extremely difficult for them to underwrite the cost of retirement living or residential care. The Homes feel a special commitment to these individuals and has responded as much as the parameters of its Benevolent Care Program will allow.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

Grady Blakely

NORTH CAROLINA BAPTIST HOSPITAL REPORT 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion — expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, and near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants.

There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care Missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries. Added to these are our "Pastors' Sabbath" and "Interim Church" programs. . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

In January, Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Five Year Long Range Plans. We plan to add two emergency care homes — another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 — a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes and Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

Update from the Thomasville Family Services Area:

We have been able to offer a Transition Class, on our campus, for children coming into care. The Transition Class gives a child an opportunity to adjust to being away from home and in new surroundings. All of our cottages have developed close relationships with Sunday Schools, W.M.U.s, RAs and other groups. Many of our cottages have visited in churches in our area.

There was much involvement during Christmas by church groups who sponsor parties or other activities for our children. Another involvement that has been welcomed by us has been work groups assisting in repairs to our facilities.

Our Campus Church has called Charles Penley as pastor. He is offering our children new approaches to learning about Christ and the Church. He is also reaching out to minister to the needs of staff. His arrival on our campus adds greatly to our ministry, to families, and children.

CHRISTIAN ACTION LEAGUE OF N.C., INC., 1988

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING — The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a state-wide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for state-wide office in N.C. that embrace such proposals. We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church. In the 1987-88 session of the N.C. General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support of the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in the voting booth." It is difficult to be effective in keeping you informed and working on the scene, when *you* elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING — Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers. We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard. The beer industry and certain trial lawyers, who are more concerned about protecting drunk drivers than the safety of all citizens, always oppose drunk driving proposals, such as banning open beer-wine containers and increasing

administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more.

ABORTION — The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. In N.C., attempts to pass such legislation have been met with "foot-dragging." A school teacher cannot give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge. Legislation to limit state funding only to those cases involving the life of the mother, incest or rape has been rejected repeatedly.

TOPLESS DANCERS — There is one piece of legislation that got "derailed" that is unbelievable. Since liquor by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing minor girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

The cause of applied Christianity calls for our vigilance and commitment. The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayers and financial support as we join with you in being "salt and light."

BAPTIST FOUNDATION REPORT TO THE ASSOCIATION — 1988

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know." Mrs. Mercer died this spring, and now we can share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son *and* the Baptist causes which they desired to support. It is in total estate stewardship planning, not in "getting a gift," that the Foundation renders the greatest service.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in

place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

THE BIBLICAL RECORDER

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." *The Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, its more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as *Baptists* do it . . . if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs, it also gives opportunity for Baptists to freely exchange points of view. Baptists do not give a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989. The cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

APPRECIATION

As the 54th Annual Session of Randolph Baptist Association draws to a close, the Appreciation Committee wishes to express heartfelt thanks to God the Father, for His watchcare and provision to our Association.

Our gratitude is likewise expressed to the First Baptist Church, Randleman, and Beulah Baptist, Bennett, for graciously opening their facilities and for their hospitality to each messenger.

We salute our leadership for going before us, presenting the association agenda, for the inspired music, preaching of the word, and to our Director of Missions, Judson Rotan, who has a heart and soul for missions and who, in his eleventh year, still shepherds and leads us as an association on mission.

The participation and faithful attendance of our messengers is to be commended, for commitments to schedules and priorities had to be arranged.

Finally, we give to God the praise and glory for an outstanding associational year, yet mindful that the challenge and commission that our Lord gave rings in our ears.

May the winds of the Holy Spirit guide our pursuits with conviction and purpose in the year ahead.

BRIEF HISTORY OF BEULAH BAPTIST CHURCH
Bennett, N.C.

Beulah Baptist Church of the Randolph Baptist Association was organized and constituted a Missionary Baptist Church on July 13, 1902, by a Presbytery consisting of Rev. W. H. Lawhon and Rev. L. R. Dixon with thirty-one charter members.

Fall Creek Baptist Church had granted letters to thirty of its members and Ramseur Baptist Church had granted a letter to one member for the purpose of establishing a church near the junction of Chatham, Moore and Randolph counties. Upon the completion of the organization with these thirty-one members, Beulah was chosen as the name of the new church.

Mr. H. B. Lambert and Mr. J. L. Purvis, formerly deacons of Fall Church, were received as deacons of the newly-constituted Beulah Church.

Beginning on the second Sunday in September, 1902, a revival meeting was held under a brush arbor near the site of the present building, in which Rev. W. H. Lawhon did the preaching. At the close of the meeting, Rev. Lawhon was called as the first pastor of the church. Ten converts from this revival were baptized into the fellowship of the church. The newly organized church adopted twenty-four Rules of Decorum on Saturday, before the Fourth Sunday, September, 1902, to help govern her affairs. A frame building, 30 × 40 feet, was built as the church's first unit during Rev. Lawhon's period of service. Rev. Lawhon continued to serve the church through 1909.

The following ministers have served Beulah Church as Pastors: W. H. Lawhon, from 1902 until 1909; L. P. Soots, from 1909 until 1914; W. H. Strickland, from 1915 until 1918; A. G. Lassiter, from 1919 until 1931; Colon M. Strickland, from 1932 until 1948; C. M. Floyd, from 1949 until 1952. Beulah Baptist Church called Van H. Porter as her first full-time Pastor in November, 1953. He served until 1955. J. C. Dunevant served from 1955 until 1959, B. L. Maness from 1960 until 1962, and Curtis L. Barbary has served the church from January, 1963 until the present date.

Over the past eighty-six years, twelve ministers have gone out of Beulah Baptist Church into full-time Christian service.

At present, Beulah Baptist Church property holdings value close to three million dollars. The church continues to place strong emphasis upon missions.

The history of this church speaks well of the cooperation between its membership. It is evident that God has blessed Beulah Baptist Church in its efforts to glorify Him by reaching people with the Gospel of Christ. It was William Carey who said, "Attempt great things for God, expect great things from God." It is with this spirit that Beulah Baptist Church proposes to move forward in the future.

BRIEF HISTORY OF FIRST BAPTIST, RANDLEMAN

The First Baptist Church of Randleman was organized in the spring of 1879, in the home of J. T. Bostick, assisted by Rev. J. M. Pugh. There were twelve members, and services were held in Naomi Hall. On July 26, 1882, a council was held to consider the constituting of the church at Randleman. After examination of letters presented by six men and twelve women, they were approved and the church constituted and accepted into the Liberty Baptist Association. The church was named Pleasant Grove, and Rev. J. B. Richardson was the first pastor.

Around 1896 the Randleman (Pleasant Grove) Church withdrew from Liberty Association and was affiliated with Piedmont Baptist Association. The community was referred to by Associational Missionaries as "Union Factory," and "Randleman's Factory." Sometime between the 1918 and 1919 meeting of the Piedmont Association, the church's name was changed from Pleasant Grove to Randleman Baptist. In 1934 Randleman Baptist joined the Randolph Baptist Association.

First Baptist, Randleman, has maintained a zealous missionary spirit through the years. Improvements increased the value of the property to $5,000.00 and by 1934 the church membership was 94 and Sunday School membership 140.

On June 1, 1947, the last service was held in the old building, and the church began use of its new facility. The last service in the old building was the removal of the Church Bible from the former building to the new, carried by Mr. Henry Vestal. The last two persons to be baptized in the old church were Miss Ann Hinshaw and Sara Galyon. Rev. J. I. Memory was the pastor.

An educational building was completed in 1966, during the ministry of B. L. Kincaid, and further renovations on the sanctuary in 1967. The resident church membership was 320, and value of all church property $250,000.

The church was greatly assisted during almost a year without a pastor, from October 1968 to November 1969, by Rev. Frank Stegall, a member of the church. During the ministry of Rev. B. G. Pratt, a mission project of the church was completed when the Joel Frank and Irma Ringgold Stegall Scholarship was formally established with the signing of a memorandum of agreement with Wingate College and the turning over of the principal of $10,000. Rev. Pratt has served faithfully since 1969.

The present evaluation of all church property stands at $922,000.

A BRIEF HISTORY

SOPHIA BAPTIST CHURCH
Sophia, N. C.

Sophia Baptist Church was organized in July, 1959, with the first service being held on August 2, 1959. Reverend and Mrs. W. D. Bennett and seven others purchased an old church building on Highway 311 in Sophia. The Reverend Bennett served the church through January, 1960. Reverend Ollie Brim of Asheboro was called and served through June, 1962. Reverend Robert Brown of Glenola served through 1967. Reverend Bill Barnes served as supply pastor from January, 1968 until the church called him as Pastor in March, 1968.
Land was purchased across the highway and a new church was built with the first service being held on Sunday, October 3, 1971. In 1974, a new addition was made to the church. On October 3, 1972, a note-burning was held with the loan having been paid twelve years early. The church has 225 members with 205 on Sunday School roll, and an average attendance of 150. Reverend Bill Barnes still serves as Pastor.
On March 6, 1988, Reverend Barnes celebrated 20 years of continuous service as Pastor of Sophia Baptist. The church honored and surprised Rev. and Mrs. Barnes by having them picked up for Sunday School and Worship in a limousine. Deacons held the morning service, paying tribute to Bill and Bea's service and love to the congregation. A love gift of money was presented to the Barnes family. In 1987, a 10,000 square foot Family Life Center was built, with kitchen, meeting room and gymnasium. In appreciation to the pastor and his service, the church voted to put the floor covering in the new building.

A BRIEF HISTORY

OAKHURST BAPTIST CHURCH
Asheboro, N. C.

In 1941, three servants of our Lord and Master, Jesus Christ, saw the need of a house of God in a growing community in Asheboro. These men were Reverend Frank Burkehead, Reverend W. P. Donwell, and Mr. Rufus Smith. They leased property from Randolph County, formerly used as a repair garage for school buses, for the sum of $1.00 per year.
Called Macedonia, the church was built on the concrete floor of the old building. Two years later, residents of South Asheboro voted that the denomination of the church would be Baptist, and the church became New Macedonia, with Reverend William Cates serving as Pastor. Reverend Cates had a part in the formation of Randolph Baptist Association.
In 1946, under the leadership of a new Pastor, Reverend Robert L. Hughes, the people voted to change the name to Oakhurst. The church was one building, with curtains to be drawn for classrooms until 1948 when a new addition was made. In 1955, another addition was made consisting of the sanctuary and more new classrooms. In 1957, a pastorium and hut were constructed. Reverend Hughes resigned as Pastor in 1973. Reverend Cecil Baughman was called as Pastor in 1973, and served until 1980. Reverend Rob Roberts accepted the call to Oakhurst as interim in the fall of 1980, and accepted the call as Pastor in 1981. In February of 1985, Randall Sherron was called as Associate/Youth Pastor. Randy completed seminary in December of 1988, and was ordained by Oakhurst on April 16, 1989. Assuming full-time duties, he

became the Associate Minister/Minister of Education. The present Minister of Music, Ryan Haywood, began serving in October of 1986. Dr. Richard Crider, present Pastor, began serving Oakhurst in March, 1987. In January, 1988, Oakhurst approved the architect's plans for a new sanctuary complex. Construction began in May of 1988, and culminated with dedication services on Homecoming Sunday, April 23, 1989.

DIRECTOR OF MISSIONS REPORT

Charles Dickens in his novel, A Tale of Two Cities, began it with the phrase: "It was the best of times, it was the worst of times. . ." That phrase is a good description of this associational year. There have been good days and weeks that the work has gone well and days and weeks that it has been low.

Overall, the year has been good and busy. It is uplifting to remind myself that the wonderful thing about the association is- it is a fellowship of churches working together on mission in our area of the state. Every church is unique and different, offering to us their skills and abilities. God unites us as a local body of believers to accomplish His great task in church development, evangelism, and missions.

As to my personal accounting to the association, I have had the privilege of preaching and teaching in many of our churches. I have preached or visited in 26 of our churches during the year, conducted one revival, spoke at three homecomings, and brought missionary messages at five of our churches. I have attended or taught in training conferences for Sunday School, Key Leadership, WMU, Pastors' Conference, V. B. S., and mission rallies. I have taught mission study in four of our churches concerning home or foreign missions. My travels have carried me over 10,000 miles across this

association for events and activities with pastors and church leaders.

Some of the activities outside the association have been the following:

1- Baptist State Convention
2- Tri-State Director of Missions Conference, Southeastern Seminary
3. State Evangelism Conference
4. Trip to Cheat Lake Baptist Church, Morgantown, West Virginia, for a weekend in April
5. Participated in World Mission Conference, Johnston Association in May
6. Key Leadership Conference, Ridgecrest in May
7- Southern Baptist Convention, Las Vegas, Nevada, in June
8- State Director of Missions Conference, Wingate College, in June
9- Jericho Missions week, Ridgecrest in July
10- National Convocation on the Baptist Association, Ridgecrest in August
11- Participated in a World Mission Conference, Alexander Association, in September

Much of this year has been involved in Strategy Planning Process for our Association. A Steering Committee of six persons across thiscounty has worked faithfully in selecting seven task groups with around fifty-five persons involved to to an in-depth study of the work and needs of this Association. Many hours of meetings were conducted and many visits to institutions and agencies in our county were scheduled. I have been thrilled and challenged by the findings and the recommendations that this process has produced.

I pray for the vision and wisdom and commitment for our Association to fulfill these goals and actions. It has been a time for me to redream the dream for our Association, and lead our Strategy Planning Committee to do also. I thank God for every minute we have had throughout this year to identify the needs and resources for our future ministry. Only through Christ in us, are we able to address these goals.

Also, my heart has been challenged through the preparation the Evangelism Committee has lead us in "Here's Hope" revivals. Sixteen persons spent fifteen hours during four days in Lay-Witness training. All of these were certified to teach Lay-Witnessing training in the local church.

As we look forward to 1990, our emphasis will be on the Simultaneous Revivals in April (April 1-8, 1990). This great event will need all of our preparation and prayers. The Evangelism Committee is preparing many activities to involve our churches in their preparation. Please join me in prayer daily, for a great revival in our county.

Finally, I am thrilled that we have a partnership with an Association in Sao Paulo, Brazil for the next three years. I hope we will have several hundred persons going to this area in Brazil, possibly twice a year, witnessing, sharing, helping the churches to grow stronger. Three other Associations - Montgomery, Sandy Creek, and Sandhills, has teamed up with us for this mission project. I am very excited about this.

My deepest thanks go to the wonderful people in our churches and to the faithful pastors who make up this Association. I am indebted to the prayers, support, and

cooperation you have given me throughout this year. I believe some of our greatest days are ahead of us in the 1990's. Let us encourage one another and support one another as we seek out God's purpose throughout this county.

Respectfully submitted,
Judson Rotan

BRAZIL PARTNERSHIP

WHAT? Randolph Baptist Association voted last year in its Annual Meeting to participate in the partnership of missions and evangelism with an association in Sao Paulo, Brazil, South America. We are teamed with the Sandhills, Sandy Creek and Montgomery Associations for this project. The association in Sao Paulo that we are teamed with, is Alta Sorocabana Association, located on the Western border of the State of Sao Paulo. The first team will be going October 25 for two weeks of evangelistic visitation and study of the area for future work. The link between our association and the Alta Sorocabana Association in Brazil is a segment of a larger partnership between the Baptist State Convention of North Carolina, and the Southern Baptist Mission Board in the State of Sao Paulo. This will be a three year project.

WHEN? Plans are to develop two trips a year over the next three years. The first trip for 1990 will be May 2 through May 16, 1990. Thirteen churches and missions are asking for teams of two or three to come and assist them in the evangelization of their area. This means we need thirteen preacher/evangelists and twenty-six lay-persons for personal witnessing. A total of thirty-nine persons.

WHO? Any Randolph Baptist, age 21 or older, may apply for this project. Pastors and lay-persons. Randolph Association is responsible to provide four teams - twelve persons.

COST? The total cost per person for each trip is around $1,500. This includes air and ground transportation, food, lodging, insurance, airport taxes, and all other travel expenses. The individual is encouraged to take $200.00 for personal expenses. There will be two meals you must buy, around $10.00 per day.

ACTIVITY? <u>EVANGELISM:</u> Persons will be expected to witness alongside a Brazilian Baptist, as an interpreter in the communities, schools, businesses, and churches.

MISSIONS COMMITTEE
October 18, 1989

This year has been an exciting and active year for your Missions Committee. Some of our long range projects were completed during the year, and new ones were launched. Those most notable are as follows:

1. WEST VIRGINIA PROJECT - We closed out a very rewarding project with the Cheat Lake Baptist Church. In July, 1989, the church purchased three acres of land for the construction of a new building to be built at a later date. At last report, their Sunday School enrollment was around ninety (90) with an average attendance of sixty (60). At their invitation, our Director of Missions, Judson Rotan, conducted a revival services week-end at the end of April. We will continue to be in touch with them for possible future mission trips.

2. CEDAR GROVE MISSION - On September 10, the Cedar Grove Mission was constituted as the Cedar Grove Baptist Church. Their charter membership at that time was 43 members, they now have 45 members. They have also applied for membership in the Randolph Baptist Association.

3. BRAZIL PARTNERSHIP - The Brazil Partnership is now a reality. On October 25, eleven (11) persons from the Randolph, Sandhills, and Sandy Creek Associations will leave for Sao Paulo, Brazil for two weeks of Evangelistic Visitation in the City of Presidente Epitacio. Those going from the Randolph Association are: Ronald Chaney, Pastor-Gravel Hill; Jerry Glenn and John Dortch, lay-persons from Cross Road; Mrs. Estelle Hackney, lay-person from Asheboro First; and Rev. Judson Rotan, Director of Missions. The entire Mission team will be commissioned on October 17, at the Oakhurst Baptist Church.

4. MISSIONS DEVELOPMENT PROGRAM - The chairman attended the Key Leadership held at Ridgecrest, May 15-16. The training sessions were designed to help the Association make the transition from the present Mission Committee structure to a Mission Development Program. These recommendations will be made at a later date.

5. COOPERATIVE PROGRAM DAY - On September 17, eighteen (18) of our churches in the Association participated in the Cooperative Program Day by having a State Missions speaker for their Sunday morning service.

Wendell Holland

STRATEGY PLANNING RECOMMENDATIONS:

The Strategy Planning Steering Committee recommends the following to implement the work of our Association for the future.

1. We recommend that our Associational year begin on October 1, and end on September 30 each year for all activities and programs. Through the years this has been accepted as the rule for the Association, but has not been stated in the constitution.
2. We recommend that a new organization chart be adopted as designed for our Association by the Strategy Planning process, using the model suggested by the Associational Division of the Home Mission Board.
3. We recommend that the Association meet quarterly with messengers elected in October, to receive information and reports and to transact the business of the Association. The Organizational Study Group looked at several associations that are using this approach and find it to be very acceptable.

The meetings would be held as follows:

(1) Fall Meeting (October)
(2) Winter Meeting (January)
(3) Spring Meeting (April)
(4) Summer Meeting (July)

The meetings in January, April, and July would be night

meetings, probably held on the third Monday night in these months. The October meeting would be the Annual Meeting, held on two days following the third Sunday.

It is suggested that Key Leaders in the churches be elected as messengers according to the guidelines of the constitution. This would help the Key Leaders to know more about the work and ministry of the Association.

The Associational Meeting Committee would be in charge of planning the programs and scheduling the location of each meeting. The present Order of Business Committee, and the Time, Place, and Preacher Committee would be replaced by this Committee.

4. We recommend that the Association abolish the Executive Committee and accept the Quarterly Associational Meetings recommendation. There would be no need for another governing body, such as the Executive Committee if messengers meet quarterly.

If there are major decisions to be made between Quarterly Associational Meetings, the Administrative Committee would act in behalf of the Association, and would report its actions to the next Quarterly Meeting. The Administrative Committee would be composed of the Moderator, Vice-Moderator, Clerk/Treasurer, Chairman of Finance, Chairman of Properties, and Chairman of Communications Committee,plus the Director of Missions. They would meet as needs arise between Quarterly Meetings.

5. ADVANTAGES TO QUARTERLY MEETINGS

A. Currently there are five governing level meetings of the Association each year: four (4) Executive Committee meetings plus the Annual Meeting. The Annual Meeting and the November Executive Committee meetings are only a month apart. Going to a quarterly system of meetings would reduce the five meetings to four and distribute the meetings equally throughout the year. In addition, the two governing bodies would become one, which should reduce confusion as to who governs the Association.

B. It would give more people a greater voice throughout the whole year than a voice just once a year.

C. It would cause less confusion for the churches, because instead of electing members for the Executive Committee, plus messengers to the Annual Meeting, only messengers would need to be elected once. The messengers would represent the churches all year and would be better informed to report to the churches.

D. The work of the Association could be managed more timely and effectively, with major committees presenting their reports throughout the year, as in the following recommendations.

6. To help the Association do its work well and to manage its business affairs more timely and effectively, the following actions are recommended:

   (1) That all Mission Performance Program Directors be presented by the Nominating Committee for vote by the messengers at the January Meeting of the Association. This would give leaders adequate time for training planning, and would avoid sending unapproved leaders to training events, such as Key Leadership Conference at Ridgecrest in May. They would be Director-elect until October 1, when their tenure of service would begin.

   (2) That all General Officers, Committee members, and Program Council members be presented by the Nominating Committee for vote by the messengers at

the April meeting of the Association. This would give each person elected the privilege to plan and train for the upcoming year. They will be leaders "elect" until October 1, when their tenure of service would begin.

(3) That the Associational budget be presented at the July meeting for approval by the messengers of the Association. The budget would begin on October 1, and end on September 30 the following year.

(4) That the Associational Council present the forthcoming year's Calendar of Activities for October through September, to the messengers for a vote at the July Meeting of the Association.

7. FURTHER ACTIONS TO CONSIDER:

(1) That the Constitution Committee be asked to update the current Constitution and By-laws, based upon the recommendations presented by the Strategy Planning Steering Committee, and to present a revised Constitution and By-laws at the 1990 Annual Meeting of the Association in October.

(2) That the Strategy Committee be asked when elected and organized, to prepare a job description manual for every office, committee, and council in the Association, plus the paid personnel. This manual would be presented to the Annual Meeting in October, 1991.

(3) That these changes in organizational and operational function would not take effect until October 1, 1990. This would give the Association one year to make necessary changes and set in motion the organizational structure for greater effectiveness in our work and ministry.

8. Suggestions to implement the Organizational Chart and operational changes during 1990.

(1) That the Mission Performance Directors be presented in Semi-Annual Meeting in April, 1990, by the Nominating Committee and the Committee on Committees.

(2) That all of the Council members and the Committee members be presented by the Nominating Committee at the July or August Meeting of the Executive Committee. Also, the budget for 1990-91, and the Calendar of Activities would be presented for approval.

(3) The Moderator, Vice-Moderator, and Clerk/Treasurer would be presentd by the Nominating Committee for a vote by the messengers in the Annual Meeting, October 1990.

(4) That all of the other necessary details to implement the organizational and operational changes would be worked out and presented at the Executive Committee meetings in January and July, and the Semi-Annual Meeting in April, 1990.

APPRECIATION REPORT

As the 55th Annual Session of Randolph Baptist Association draws to a close, we offer our sincere thanks to God for His many blessings to us. Heartfelt thanks go to Oakhurst, Sophia and Greystone Churches for their hospitality and thoughtfulness to us. To the Strategy Planning Committee for their faithful work in giving us plans for the 90's. To our

Director of Missions, Judson Rotan; our Moderator, Bobby Blanton; and each committee member and chairman for their work throughout the year, we say "thanks". SUNDAY SCHOOL
1988-89

The Sunday School emphasis for this past year has been on programs that increase both enrollment and attendance. The main goal is set for the year 1990 to be a high mark in Sunday School work. The Sunday School Board of our Convention calls the current campaign, "Challenge 10/90." It is designed to enroll ten million people in Southern Baptist Sunday Schools by the end of 1990. The theme is "Share Hope. . .Reach 10", and is to be done in cooperation with the Home Mission Board during the great evangelistic emphasis in the spring.

Your Sunday School and mine must help reach new people and enroll them in Bible Study and add them to our list of prospects by working harder than ever before. Our lovely county is estimated to be sixty percent unchurched. This means that the fields are still white unto harvest and that we are still being sent by our Lord as laborers into the homes of the lost and unchurched.

Please **pray for and support** our new Associational Sunday School Director, Rev. Phillips McRae, and his fine ASSIST team. They will be meeting your needs with both associational programs and offering their assistance to each church who needs them. I appreciate the strong support you have given me through the years in Sunday School work. It will be my continued joy to work for Sunday School growth in Randolph Association because this is the church's great Bible-teaching program for the entire family.

Respectfully submitted,
Justus McKeel,
Sunday School Director

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807!

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist Colleges. They are smaller, friendlier campuses where Christian community is present and encourged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERTIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

ANNUITY BOARD REPORT
1989

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord". The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold through the years. Goals set by the Annuity Board trustees for 1989 include:

Developing a long term care plan suitable to Southern Baptist ministers and their families;

Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;

Providing more choices for ministers seeking to meet the needs for family insurance protection;

Continuing to work hard to control health care costs;

Developing materials on financial planning;

Continuing to make churches and ministers aware of retirement and insurance plans.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989, 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

We have 151 churches that have signed the Cooperative Agreement, but still make no contribution.

We have 437 churches that are making contributions, but still have not signed the Cooperative Agreement.

There is still a <u>great challenge</u> before us to help ministers prepare for the future and to help churches be responsible employers.

BAPTIST HOSPITAL
1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people, but to serve them better.

A neonatal ambulance for critically ill infants has been added to the helicopter service. A CommView Computer Service stores large volumes of data and transmits the images via fiberoptic cable through the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1989

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster home and the young mother to another until she was of age. The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior problems prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

Charles Tanner and Bill Morrow will arrange speakers from BCH for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan adopted in April, 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative program last year. In the 1988-89 fiscal year, more that $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share.

BCH, which began in 1885, as an orphanage in Thomasville, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year. All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

"Strengthening for Greater Service" had a special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69 year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to those causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices. Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to build have been secured. The new building will be erected beside the Baptist Building in Cary, and hopefully be ready by the end of this year.

During this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. The need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds, established by indidviduals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated to charitable remainder-type trusts. This agreement provides for income to be paid to the donor for a specific period of time and then to charitable causes thereafter. Through this method, heirs are not neglected and Christian causes will eventually benefit from the estate.

We welcome the opportunity to serve.

Edwin S. Coates, Executive Director

THE BIBLICAL RECORDER

1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the Biblical Recorder is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

For the future there will be more feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

We are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the Recorder in lieu of their weekly newsletter. Watch for more details in the Recorder in the near future concerning this time and money-saving device for the churches (and associations).

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60% of our news is from North Carolina now, but we want a higher percentage soon! Will you help us? Not only subscribe to the Recorder yourself but please speak a good word for the paper and urge others to subscribe and read it also. BROTHERHOOD COMMISSION REPORT
1988-89

The Brotherhood Commission continues to feel the effects of its 1987 program changes that produced a comprehensive missions education package aimed at helping churches involve men and boys in missions.

In October 1988, James H. Smith, Brotherhood Commission president, presented a plan of financial austerity following the production of 31 new books in 1987 and 1988. The production costs had drained the agency's reserves. Smith set a goal of earning $240,000 over expenses in 1988-89. At the April trustees' meeting, Smith reported that income was already $177,000 ahead of expenses.

Located in Memphis, Tennessee, the Brotherhood Commission is pioneering several new aspects of missions education. In May, the first RA University, an in-depth national training event for Royal Ambassador counselors, directors, and committeemen, was held at Rhodes College in Memphis. More than 300 people from across the country attended.

In April the National Fellowship of Baptist Men a ministry of the Brotherhood Commission's adult division, announced the expansion of its concert series, which will endorse up to 200 concert artists to present the story of Southern Baptist missions and recruit volunteers.

The second annual High School Baptist Young Men's Rallies were held in Gatlinburg, Tenn. and Arlington, Texas, with more than 500 attending. High School Baptist Young Men were also represented on the second National Baptist Young Men's Overseas Work Project in Chile during Christmas break. Seven Baptist Young Men from the United States and Canada participated.

Baptist Men served more that 95,000 meals in Mexico following Hurricane Gilbert's destruction. In Jamaica, Baptist Men worked jointly with the Foreign Mission Board to rebuild churches. More than 700 volunteers participated in this nine-month project.

World Missions Conferences were attended by 1.15 million people; 374 volunteered for missions service and 395 made professions of faith. WMCs are administered by the Brotherhood Commission and sponsored by the Home and Foreign Mission Boards, Woman's Missionary Union, and Brotherhood Commission.

Perhaps the greatest effect of the Brotherhood Commission felt by the churches of the Southern Baptist Convention has again been the regular activities of Baptist Men and Royal Ambassadors. Through church and associational Brotherhoods men and boys have been involved in missions by actually doing missions activities, learning about missions, praying and giving to missions, and developing their own personal ministries. These actions have helped churches maintain integrity as God's people for God's world and have helped believing men grow in relationship to Christ.

Revised: October, 1990

ARTICLE I - NAME

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

ARTICLE II - PURPOSE

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an annual report to the Association, elects messengers to attend the Associational meetings, and contributes to financial program of the Association.

Section 2. The Association shall be sole judge of its membership and may receive churches, according to the constitution and by-laws. Member churches may withdraw from the Association as they desire.

Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the credentials committee of the Association to determine the intentions of the church regarding its desire to remain in the Association. In the event the church does not respond to the efforts of the credentials committee, the church will be considered as having chosen to withdraw from the Association.

Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the constitution and by-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the meetings of the Association.

Section 5 Churches desiring to affiliate with the Association shall make a written request to the credentials committee of the Association at least three months prior to the Fall meeting (October), for examination and recommendation to the Association. A church (or mission) is first received into the watchcare of the Association. Upon completion of one year in watchcare relationship, a church may be received into full membership of the Association by a recommendation of the credentials committee. There must be a vote of two-thirds majority of the messengers present at the Association meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

ARTICLE IV - MEETINGS

Section 1. The Association meetings shall be composed of messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) messengers, including the pastor, and one additional messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such messengers. BRIEF HISTORY OF MACEDONIA BAPTIST CHURCH

Liberty, N. C.

A Presbytery of ordained ministers met at Macedonia Meeting House on August 30, 1880, in the County of Randolph and State Of North Carolina, and constituted a regular (Missionary) Baptist Church known as the Baptist Church of Christ at Macedonia.

Seeing the need for a planned program to study the Word of God, a Sunday School was organized in May, 1902. With the growth of the church, the need for a new house of worship was realized and a committee was elected in 1929 to raise funds for the new church. On June 19, 1932 the first service was held in the new church. An addition of Sunday School rooms was added in 1945. In 1954 a porch was added to the front of the church.
Thoughts turned to providing a home for our pastor and on March 13, 1957, land was purchased on U. S. Highway 421 for the future building site for the parsonage. On May 22, 1960, a dedication service was held for the completed parsonage.
A long range building plan was adopted which included relocating the church. On February 21, 1865, property was purchased adjacent to the parsonage for future development. The dream became a reality and on October 4, 1969, the first worship service was held in the new church. Dedication of the new church was held on November 2, 1969.

BRIEF HISTORY OF UNION GROVE BAPTIST CHURCH
Seagrove, N. C.

The church was organized in 1885 and rebuilt in 1946. Elder J. L. Smith and T. M. Baldwin met as a presbytery on Monday following the third Sunday in September 1887, at the Union Grove meeting house, and proceeded to examine members who had been dismissed from the Baptist Church at Fork Creek, with a view of organizing a separate independent Baptist Church. Having found them to be sound in the faith of doctrine and principles of the gospel, constituted them as a regular church of the Baptist faith, and as such they were vested with full authority to maintain discipline and all necessary business independent of the control of any and all churches. J. L. Smith served as first pastor. A new church was begun in 1948 with an educational building followed by a parsonage. In 1960 a fellowship hall was added, the parsonage re-decorated, and air conditioning was installed. Rev Clarence Jenkins was the pastor at this time and served the church for seven years. Under the leadership of Rev. E. A. Lunsford, a new sanctuary was constructed. Pastors serving since Rev. Lunsford were W. A. "Bud" Gillett, David McLaurin, and the present pastor, Grady Blakely. Rev. Blakely began his ministry with Union Grove in April of 1984.

A very speical thank you is extended to each speaker for challenges of Sharing Heritage and Hope as we extend Christ's Missions and labor together with God. To the different organizations and committees in giving us guidance in this first year of the

1990's. To our Director of Missions, Judson Rotan, our Moderator, Bobby Blanton, and each individual committee member and chairman for their work throughout the year, we say "thanks." As we depart today, we are thankful for God's presence in our midst, and pray for His guidance through another year as He binds our hearts in fellowship and brotherly love.

MISSIONS COMMITTEE

This year has been filled with a lot of activity and excitement. We say good bye to the "old" Missions Committee and hello to the "new" Associational Missions Development Program. It has been an exciting time working with everyone on the Missions Committee. We look to the future and the challenges it holds. Some of the noteworthy projects are listed below.

1. *Brazil Partnership* - Our first team of eleven (11) people representing the Randolph, Sandhills, and Sandy Creek Associations, returned in November, 1989 from a two week Evangelistic Visitation to the city of Presidente Epitacio. Hope continues for other teams to go back to Brazil while this partnership continues.
2. *MAP* - At the November, 1989 Executive Committee meeting, it was recommended that the MAP (Mission Action Project) be reactivated. The Missions Committee is seeking to enlist 100 persons and groups to give $50.00 per year toward a fund to assist three (3) to five (5) people each year to help meet the needs of evangelism and discipleship in the Sao Paulo, Brazil partnership that extends through 1992.
3. *US-2er - HOME MISSIONARY*- The Missions Committee recommended that the Association apply for a US-2er,a Home Missionary who would be appointed to our area for two years, beginning in August, 1991 through August, 1993. This person would work in the area of Church and Community ministries. The cost for us to support a US-2er for one year would be around $6,000. This is a college graduate who has committed their life to missions for at least two years.
4. *Missions Development Program* - This is the last year of our Missions Committee as we now know it. The Missions Development Program is designed to replace the Associational Missions Committee with an Associational Missions Development Council.

Respectfully submitted,
Wendell Holland

STRATEGY PLANNING: 1990-1991

As we begin the decade of the 90's, let us as the Randolph Baptist Association affirm the Lordship of Jesus Christ, the authority of the Bible for faith and practice, the priority of winning people to Jesus Christ, and the equal responsibility of all Christians for reaching people through the ministry of the gospel. In keeping with that affirmation, and in response to clear and present needs, the Association in session in 1989, adopted the following major objectives through Strategy Planning for the period 1990-1995. They are:

1. Restructuring the Association
2. Improving the Fellowship
3. Strengthening the churches
4. Involvement in People Needs
5. Reaching people

As we begin to implement these objectives throughout 1990-91, we enlarge our objectives to emphasize some of the Baptist State Convention Emphasis: Mission Vision '95. They are:

1. Win the lost
2. Start new congregations
3. Develop disciples
4. Magnify worship
5. Support Missions
6. Minister to human needs
7. Strengthen Families

We encourage every church in Randolph Association to share these objectives in their work and ministry throughout 1990-91. We recommend these objectives for our Association for 1990-91:

Objective 1. Restructuring the Association

-to study thouroughly the Associational Building needs, location, and feasibility through a committee of twelve from across the Association.

Objective 2. Improve the Fellowship

-to improve, update and increase the mailing list of Randolph Baptist to 1,000 persons. The Communication Committee will help in this endeavor.

-to print a quarterly bulletin insert for church members, emphasizing the major associational events and programs. The Communication Committee will assist in this project.

Objective 3. Win the lost

-to enlist churches to increase their baptisms by 10% during the year.

-to enlist 4 churches to conduct one day soul-winning workshops during this year.

-to conduct an Associational Wide Witnessing training clinic during this year.

-to enlist 5 churches this year to do evangelism through Church and Community ministries and marketplace evangelism.

-to assist 5 churches during the year in organizing an Evangelism Council.

Objective 4. Start New Works

-to enlist 15 pastors to share in the PROBE during the week of March 18-20, 1991, to discover new areas of work.

-to establish 5 new work units (Mission Sunday Schools, Backyard Bible Study Fellowships, Mobile Home Park Bible Study, Mission VBS, etc) by 9/30/91.

-to enlist one or two sponsoring churches for new work by 9/30/91

-to support and provide resources for a Summer New Work Student Worker for 10 weeks.

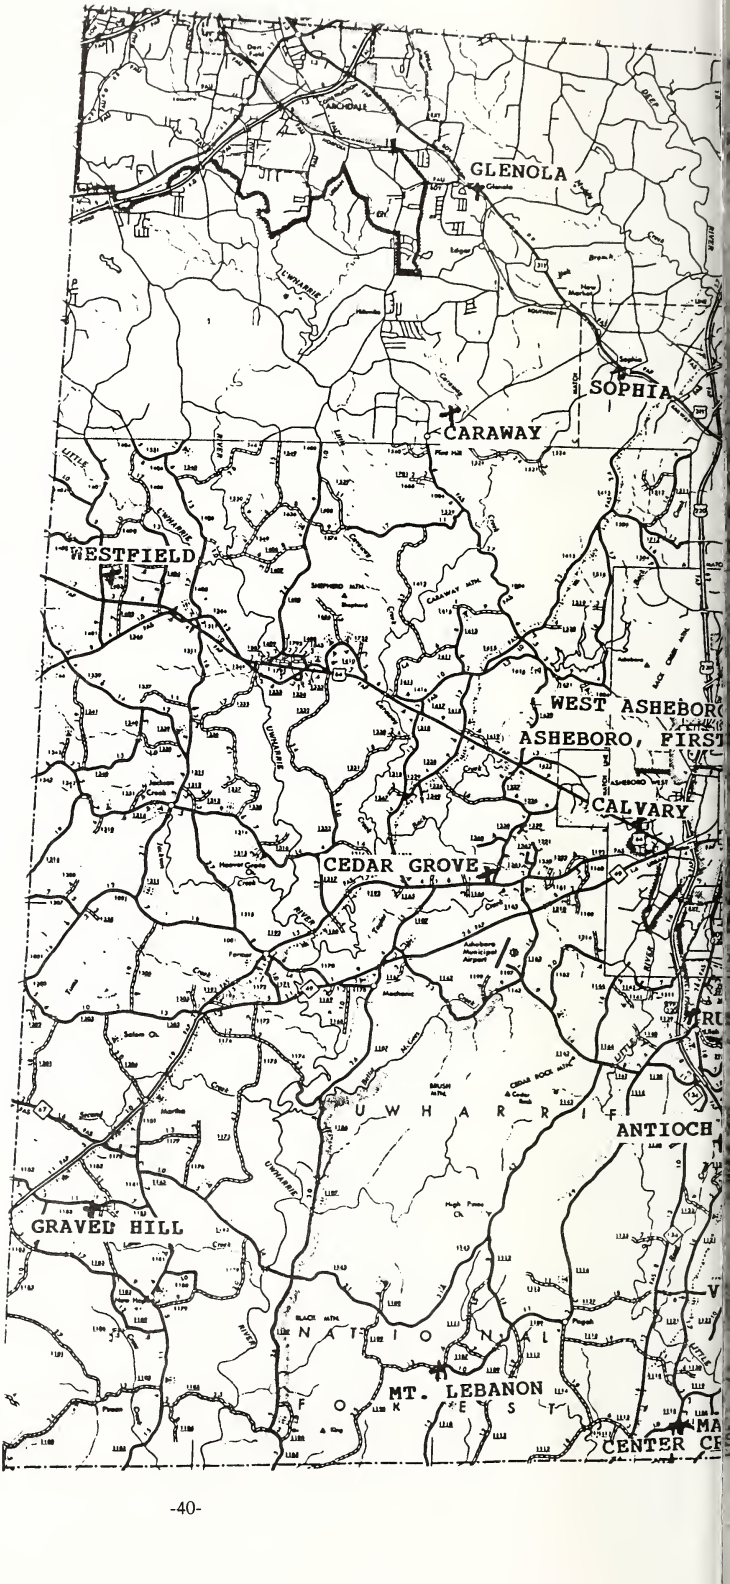

Objective 5 To Strengthen Churches

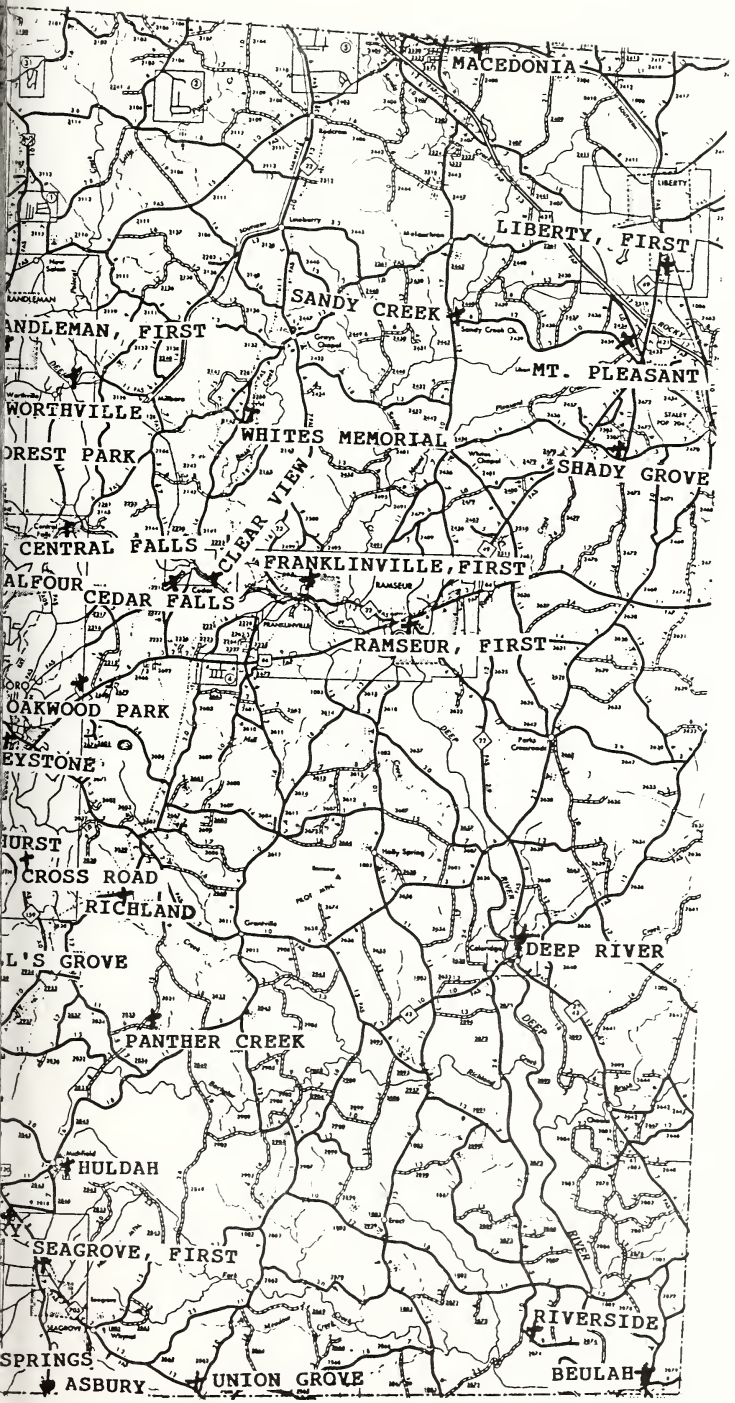

-to increase enrollment in Sunday Schools, Discipleship, WMU and Brotherhood by 3% by 9/30/91.

-to enlist 5 churches to have a major emphasis on Witnessing/Giving Life by 9/30/91.

-to enlist 4 churches to conduct a Church Growth project by 9/30/91.

-to lead 10 churches during the year to conduct a doctrinal study.

-to encourage 10 churches to conduct the Week of Prayer for State, Home, and Foreign Missions during the year.

-to encourage churches to increase giving to Associational Missions by 1/2% of undesignated gifts by 9/30/91.

Objective 7 Minister to Human Needs

-to assist 10 churches during the year in organizing a Mission Development Council in their church.

-to enlist 10 churches during the year to minister to persons with special needs.

-to involve 8 churches in Volunteers in Missions in our county and around the world.

Objective 8 Strengthen Families

-to lead 5 churches to conduct an Annual Christian Home emphasis during the year.

-to lead 5 churches to conduct a ministry for and with groups such as single adults, and senior adults during the year.

Growth begins with discovering needs in your church and communities, then establishing goals and actions to fulfill these needs. Let us as churches in this Association, "Lift up our eyes, and look on the fields, for they are white already unto harvest."

CHRISTIAN ACTION LEAGUE

The last twelve months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES: All three lottery bills died in committee because the pro-gambling forces did not have the votes. The gambling industry launched a major campaign this year because of the $500 million budget short-fall. The State Government

Employees Association made the lottery its number one legislative objective. Yet, all of this was not enough because the Christian community spoke up. DRUNK DRIVING - Proposals from Governor Martin and a Legislative Study Committee that really would have toughenend our drunk driving laws did not materialize. Some "sham" compromise offers were made in the House-Senate Conference Committee, but the House conferees rejected the offers. In many ways, the Senate compromise would have weakened the current laws. The House Bill provided for:(a) The lowering of the Breathalyzer blood alcohol level from .10 to .08; (b) The banning of open containers of all alcoholic beverages in motor vehicles;(c) Increasing fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later.) In the past year, the Christian Action League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

WE NEED YOUR HELP!!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs.

The paper will focus more and more attention on North Carolina Baptists with news, features, and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1990

Campbell - 1887 Chowan - 1848 Gardner Webb - 1905 Mars Hill - 1856 Meredith - 1891 Wake Forest - 1834

Wingate - 1895

WHAT IS THE QUESTION?

Your Baptist Colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. Colleges educate. Churches call persons to faith and encourage spiritual growth.

Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service. No question about it, Baptist students and Baptist colleges belong together.

1990 REPORT OF BAPTIST CHILDREN'S HOMES OF N. C., INC.

For 105 years Baptist Children's Homes of N. C. has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Baptist Men of N. C. have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

We urge renewed commitment to cooperative giving among our N. C. churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J. E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105 year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

NORTH CAROLINA BAPTIST FOUNDATION

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized in 1919 and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact on providing financial support for Baptist institutions and mission causes.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has been increased by over $13 million through May, 1990.

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

The new facility of Baptist Foundation was occupied in February, 1990, and provides much needed space for the work of staff as well as for conferences and meetings. We extend an invitation to church groups to call and arrange a visit to the newest building for the Lord's service by North Carolina Baptists.

The Foundation employs seven full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

SUNDAY SCHOOL

In the beginning, God broke through the void and nothingness, and created heaven and earth. In the fullness of time, when religious faith and practice had petrified into an endless system of tedious laws, God broke through and sent His only Son into the world as Redeemer, Saviour, and King.
Breakthrough has occurred over and over again in the Bible and throughout Christian history. Now as Southern Baptists enter the last decade of the twentieth century, we are reminded of a commitment. Fourteen years ago, we committed ourselves to share the Gospel with every person in the world by the year 2000. This Bold Mission Thrust is still a distant reality. To reach the world with the Gospel, we need miraculous, divine intervention. We need nothing less than a breakthrough. That breakthrough can begin with one person. One individual who will take God at His Word and reach out to win. BREAKTHROUGH is the Sunday School's contribution to Bold Mission Thrust. To share heritage and hope is the prayer, the hope of Randolph Baptists as we enter the final decade. For the year 1990-1991, the Randolph Baptist ASSIST team suggested goals for all churches are as follows:

9.1% increase in Sunday School enrollment.
9.1% increase in average Sunday School attendance.
9.1% increase in the number of unsaved persons (10 years of age and older) who are enrolled in Sunday School.
9.1% increase in the number of Sunday School leadership training awards earned.
One or more REACHOUT groups conducted.
One person won to Christ for every 15 persons enrolled in Sunday School.

The basic suggestions should be used by all churches to strengthen every aspect of Sunday School work. These suggestions may take some adaptation to fit the specific needs of your church, but all of these ideas and goals are worthy of consideration.

1990-1991 BREAKTHROUGH. . .REACH TO WIN

Phil McRae,
Sunday School Director

BAPTIST HOSPITAL

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles F. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment. Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date for the spring of 1991. The purpose of all these new facilities is to enable us to respond to patient needs better than ever before. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are now being performed. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Illzarov Technique for the repair and lengthening of broken bones. New approaches are being used in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean,a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients. We provided 210,456 days of care for 22,607 patient admissions last year. There were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from North Carolina and thirty-four other states. Foreign patients continue to increase. The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the BSC, had 1,446 sessions with more than 200 different clergy families last

year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled. During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospitals Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

ANNUITY BOARD, BSC

There are now 2,162 North Carolina churches and associations contributing to retirement plans.
North Carolina has 1,972 signed Cooperative Agreements,more than any other state!
The number of churches participating at the old Plan A level of $33,34 has decreased to less than 100.
The average annuitant in North Carolina receives $276.39 per month.
North Carolina has 3,436 members making contributions to Annuity Board retirement plans.
There are 1,889 annuitants receiving benefits each month in North Carolina - $522,109.84 each month!
It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there is still so much to be done! Consider these facts:

Only 64% of our churches are participating in our retirement plans even after all these years of opportunity.

Of this 64%, many do not actually make contributions. The minister does this on his own.

Small contributions make the annuitant's benefits small: In North Carolina -

175 receive less than $50.00
463 receive less than $100.00
1007 receive less than $200.00
1295 receive less than $300.00

We have 151 churches that have signed the Cooperative Agreement, but still make no contribution.

We have 457 churches that are making contributions, but still have not signed the Cooperative Agreement.

Suffice it to say that there is a great challenge still before us to help ministers prepare for the future and help the churches be responsible employers.

Three major events that claimed our attention in the 1989-90 Associational year were the Brazil trip in October and November, 1989, the "Here's Hope" revivals in April with 35 churches participating, and the implementing of the new organizational structure and Strategy Planning throughout the year. With our emphasis on improvement, missions and evangelism, we have experienced a very productive year.

Five volunteers from across our Association joined with seven other volunteers from Sandhills and Sandy Creek Associations, was on evanglistic meetings in several cities in Sao Paulo State, Brazil. Three teams of four shared in personal witnessing in six churches around Presidente Prudente, a city of 200 thousand people, around 400 miles west of the city of Sao Paulo. Around 200 personal decisions were made in the homes and churches during the eight days in these towns. The people were very open and hungry to hear the gospel of Jesus Christ. Many seeds were sown for future experience, which we hope to have during 1991.

It was thrilling to see 35 of our 43 churches participating in the "Here's Hope, Jesus Cares for You" revivals. Much preparation was involved in preparing the churches for a good week. Many decisions were made and a greater concern for the lost in our communities was developed. Twenty five hundred New Testaments were distributed through our churches in visitation, and three soul-winning clinics were conducted with 45 persons present. God's spirit was felt in our midst. We thank God for the many victories that were won in individual lives during this special emphasis.

In the kind of ministry that is carried out on a regular basis, I have been in 36 of our 43 churches for at least one meeting during the Associational year. In addition to regular preaching services, I have taught the book of Second Corinthians in several churches. I have taught the Foreign Mission and Home Mission study in five churches. I have worked with two search committees in our churches, spoken at Brotherhood breakfasts and meetings, attended committee meetings for all of our committees in the Association. I have conducted two deacon retreats and participated in several WMU functions.

Some of the activities outside the Association have been the following:

1. Baptist State Convention, Greensboro
2. Tri-State Director of Missions Conference, Southeastern Seminary
3. State Evangelism conference, Greensboro
4. State-wide VBS Clinic, Concord
5. Key Leadership Conference, Ridgecrest
6. Southern Baptist Convention, New Orleans
7. State Director of Missions Conference, Wingate College
8. Jericho Week for Missions, Ridgecrest
9. Home Mission Week, Ridgecrest

Much of the year has been involved in Committee planning and reorganization of the Association to meet Strategy Planning recommendations approved last year at the Annual Meeting. There have been meetings upon meetings for preparing for the new Associational Year, beginning in October, 1990.

One of the largest changes that has occupied much of our time is the re-writing of the constitution. The constitution committee has studied many constitutions, and have updated our constitution to meet the needs of our new organizational structure.

Again, in many ways, this has been another great year in our ministry and work among Randolph Baptists. The wonderful

thing about the Association is that it is a fellowship of churches, working together in missions in their setting. Each church, regardless of size or location, has a significant role in the total response. We believe the Lord is doing "great things" for us. This has been a good, full, busy, and significant year in the life of Randolph Baptists. we trust and hope the reports from the churches will show some growth in Baptisms, Mission gifts, and Church development. We continue to pray for a stronger feeling of togetherness than we have experienced in the past.

We rejoice in what has been accomplished this Associational year, however, we should strive to grow toward a greater faithfulness, effectiveness and efficiency in fulfilling our ministry of developing believers, reaching people for Christ, strengthening the families and the Christian witness in every church. Your church has a vital role in meeting this challenge. May God give us knowledge and direction to fulfill His will and purpose in our Association.

My deepest thanks goes to the wonderful people in our churches who have helped to make my ministry among you worthwhile. I am grateful for the prayers, support, and cooperation that each pastor and church member has given me throughout this year. I believe some of our greatest days are ahead of us in this decade of the 90's. May God bless Randolph Baptist Association.

INCORPORATION COMMITTEE

One significant outgrowth of strategy planning was a hightoned awareness of the importance of organizational structure as it relates to the ability of the Randolph Baptist Association to carry out its mission and to meet the needs of member churches and individuals. In that regard, one important objective of preparation for the nineties was to insure a strong and viable organizational pattern which would be free from excessive concerns over litigation. To address these concerns, a committee was formed with the responsibility of evaluating the legal implications of remaining an association as opposed to pursuing the possibility of becoming an incorporated entity. More particularly, the committee was asked to determine if, in fact, there was a compelling reason to incorporate the Randolph Baptist Association as a means of protecting both those involved in decision making and the organizational structure itself.

A review of exciting literature and extensive conversation with authorities on the matter suggests reasons to incorporate are generally as follows:

(1) Limited resources, land, buildings, equity, capitalization, etc.
(2) Protection for those involved in decision making and those carrying out organizational activities, and
(3) inadequate insurance coverage

While there is, perhaps, some limited benefit to incorporated status, such benefit doesn't appear to be substantial enough to warrant a change at this time. Therefore, the recommendation of the committee is that we remain an association with unincorporated status unless and until a more compelling reason to incorporate is forth coming.

Over the years, our leadership has been far sighted enough to provide excellent insurance coverage. Moreover, litigation in North Carolina of a nature affecting this issue has to date been virtually non-existant. Equally significant, although a somewhat intangible point is the question of voluntary submission the the State. If unnecessary, would we want to do so?

Based on careful review of available resource material, the Committee on Incorporation recommends against incorporation at this time. Should new information become evident, further investigation is encouraged.
